

Thank you for your interest in Oakridge Farms! Each year we get a lot of applications for seasonal employment, please take your time filling out this application. Please use this application to let us know who you are and why you would make a great employee.

We are a family owned business and our employees are very important to us. We have an excellent reputation for providing exceptional customer service and for growing high quality fruits and vegetables. As an employee of Oakridge Farms we want you to reflect our passion for growing food for our community and our enthusiasm for being a destination for "agritainment" (like picking strawberries!).

We work very hard at Oakridge Farms, rain or shine, and the environment can be fast paced and demanding. We have high expectations for ourselves and our employees. Employees must work together and take direction from one another as well as direct supervisors. It is very important to us to provide a positive and supportive work environment! Bad attitudes and rude behavior can be contagious and are therefore not tolerated.

We are seasonal business and are open every day of the week from mid-June until mid-October. Again, we are open every day, Saturdays, Sundays, 4<sup>th</sup> of July, rainy days, hot days...every day! This is our livelihood and we expect our employees to make this job a priority. Many of our employees have a 2<sup>nd</sup> job or are lucky enough to take a summer vacation and we can certainly accommodate, but it is important to list these commitments (to the best of your knowledge) on your application. We do hire summer only help as well as those who can work into the fall months.
