Crum Creek CSA (community supported agriculture) is the collaborative effort of a couple farmers, all operating small family farms, working together to give you a wide selection of locally raised, high quality, healthy meats. You can be assured that our animals are humanely raised under the best possible conditions by farmers who truly enjoy farming.

We would be happy to answer any questions about our farm or the CSA.

How our CSA works

-Shares are either weekly or monthly. You can choose to receive 5lbs of meat, once a week for 6 weeks or 5 lbs of meat once a month for 6 months.

-Bulk orders and 20lb bundles will be filled throughout the year, in the order received, as meat becomes available.

-Half the cost of the order (for bulk orders, the full deposit) is due upon receipt of order, with remaining balance due at the first pickup.

-Orders can be picked up at our farm; we will call to verify a time, or at the Farmer's Market. Remember to bring coolers with you.

-As a share is a commitment on both our parts, we are not able to refund your money if you decide you do not want to continue with your season. However, we can transfer your share to another person (payment would be between the two of you.)

-In the unlikely event that meat or eggs are not available to fill your order this season (ex. The chickens stop laying) you may choose either to receive a refund of the remainder of your order or to put a deposit on the next season.

-Please visit our website for prices on individual cuts and more information on our meat. www.crumcreekcsa.com
