- Nationally, 11% of the adult homeless population are veterans.³
- Socks are one of the most needed and least frequently donated items for individuals experiencing homelessness.⁴

Consider this quote:

“Do not stand idly by if you witness injustice. You must intervene. You must interfere.”
– Elie Weisel

Discussion Questions:

- What are some thoughts you have when you encounter someone who is asking for help on the street?
  - If you were no longer able to live in your current home, where would you go?
    - What are some injustices that you see in the world?
  - How can you commit to intervening to address these injustices this year?
