Mary Page Michel
Board Chair, Roland Park Community Foundation
PO Box 16214
Baltimore, MD 21219

Dear Ms. Michel:

The Green Towson Alliance supports retaining the 20 acres currently up for sale by the Baltimore Country Club thus preserving between 500 and 600 mature trees in Baltimore City. The Green Towson Alliance supports the preservation of green open space on the land which the Roland Park Foundation is currently raising money to purchase. We are excited about a new, public park with easy access, for all city residents to use and enjoy. We support the Hillside Park project, which will work to support the 500-600 trees on the property.

Best regards,

A handwritten signature in blue ink that reads "Patty Mochel". The signature is fluid and cursive, with the first name "Patty" being more prominent than the last name "Mochel".

Patty Mochel, for the Executive Committee of the Green Towson Alliance:
