

Gift Cards Simplified

With Shift4, businesses can enhance the guest experience, increase revenue, and create repeat customers by offering a streamlined and customized gift card program — built right into the point of sale.

Physical and e-gift card options to meet your business needs

Customize physical and digital cards with your restaurant's name and logo

Create a personalized landing page that allows customers to check their card balance

Manage all your gift card orders from a single portal, Lighthouse Business Manager

Get all this and more for \$25/month!

When you enroll, you'll receive your Starter Kit, which includes:

- Acrylic stand with insert
- Envelopes
- Register decals
