BEAUTIFULLY DEFINED KINKS AND CURLS, WITH NO FLAKING, CRUNCH OR STIFFNESS

This rich but light-textured Styling Cream is excellent for helping to shape protective styles like twists and bantu knots, plus emphasising the natural curls and kinks of all hair types. It distributes easily and evenly through the hair without any stickiness, stiffness or flaking. The formula includes mongongo oil which contains vitamins A, D and E; shea butter for moisture; black oat extract which helps to improve the structure of the hair; panthenol for enhanced lustre and sheen; and an amino acid blend for moisture and strength.

Scent notes: Carrot and fennel.
