A Notice About 2020 Events for Chief Investment Officer, PLANADVISER and PLANSPONSOR

As we looked at our events calendar for ISS Media (Chief Investment Officer, PLANADVISER and PLANSPONSOR) for the rest of 2020, we realized that we could not reasonably make plans now to host large groups of people at our flagship events. We know you have concerns about travel to, and attendance at, an event; frankly, we have them too. However, coming together as a group—we at ISS Media and you, the chief investment officers (CIOs), retirement plan sponsors and administrators, retirement plan advisers and consultants, plan providers, investment managers and others in this ecosystem—to communicate and share ideas is vital to our industry.

The high-quality nature of our events is something we pride ourselves on and we found it is difficult to determine how to create those experiences in this unknown time. Therefore, we have made the decision to host our 2020 events virtually. These events will spread our in-person conferences over multiple days, still bringing you comprehensive conversations across both panel discussions and keynotes, including general session topics and breakout sessions. We will have ways for you to get information from our “exhibit hall” and are working to provide an opportunity for attendees to connect with one another virtually.

We will be hosting our events online over the following dates:

• PLANADVISER National Conference (September 14 – 18, 2020)
• PLANSPONSOR National Conference (September 21 – 25, 2020)
• HSA Conference (October 7 – 8, 2020)
• Chief Investment Officer Summit (October 13 – 16, 2020)
• Best of PSNC (November 4 – 5, 2020)

As we transform these events, we are continuing to address our agendas and hope to have those online shortly. Regardless of which sessions you want to attend, you will register for the entirety of the conference and attend what you’d like.

Although we are going virtual this year, we already have started making plans for 2021, and we can’t wait to see you all again in person. Please save the following dates:

• PLANSPONSOR/PLANADVISER Excellence in Retirement Awards (March 25, 2021)
• CIO Summit (April 2021)
• PLANSPONSOR National Conference (June 7 – 9, 2021)
• PLANADVISER National Conference (September 20 – 22, 2021)
• HSA Conference (October 2021)

To everyone in our ISS Media community, we appreciate your support as we continue to evolve our delivery of the most industry-focused coverage and commentary available and adapt in this unprecedented time. We look forward to hosting you at our virtual conferences later this year. If there's anything we can do to give you better assistance, please don't hesitate to reach out.

Sincerely,
