2017 Conferences, Seminars, and Awards Programs

Conferences and events are essential to most marketers' strategies for the simple fact that no other medium enables you to strengthen existing customer relationships and develop new business opportunities like face-to-face meetings.

Throughout the year, PLANADVISER’s parent company Asset International hosts a series of industry-leading conferences, seminars, and awards dinners to educate and recognize our audience.

Each event offers numerous opportunities to participate as a keynote speaker or panelist; exceptional brand exposure before, during, and after each event; and ample time reserved throughout the program for face-to-face networking. PLANADVISER events provide a perfect venue for your company to make direct connections with the key retirement benefit plan adviser decisionmakers and influencers you have been trying to meet.

As a sponsor of a PLANADVISER event, you receive:
• Cost-effective exposure to America's most influential retirement benefits decisionmakers
• The opportunity to position your firm as a thought leader
• Unmatched insight into key customer priorities
• Exceptional brand recognition
• The chance to demonstrate your commitment to your clients and associates
• Direct association with the PLANADVISER brand
• Excellent lead generation

Reach Your Prospects
While each conference, seminar, or awards dinner differs in terms of the audience it is designed to attract, PLANADVISER strives to deliver a balanced profile for each program so that the number of buyers far outweighs the number of sellers in the room. This emphasis on a proper audience balance allows for optimal networking and exceptional exposure to our valued sponsors.

Webcasts

PLANADVISER offers three unique ways for providers to get involved.

Overview

PLANADVISER develops and hosts sponsored webcasts focused on the most critical business issues facing our much sought-after audience of the nation’s top retirement plan advisers. Our webcasts provide a great way to quickly identify and engage with advisers most interested in the topic area you present—positioning your firm as an industry expert through an informative and objective panel discussion. All webcasts are hosted by PLANADVISER editors and can be up to 60 minutes in duration.

Choose from one of the following three Webcast formats:

Editors Select™ Webcast Series

Our topic + our moderator + our panelists + your expert

Throughout the year, the editors of PLANADVISER will produce a series of highly targeted webcasts focused on the most critical business issues facing our retirement plan adviser audience. Each webinar will feature insight from the nation’s top advisers, key industry experts and a featured thought leader from a sponsoring firm.

A PLANADVISER editor will moderate the webinar and collaborate with the exclusive sponsor to identify and recruit the right mix of advisers and experts (3 max) to complement the panelist from the sponsoring firm. Overall, our Editors Select Webcasts align the editorial credibility of PLANADVISER with the thought leadership expertise of our sponsor in order to maximize audience interest.

Editors Select™ Custom Webcasts

Your topic + our moderator + our panelists + your expert

Have a topic outside of our Select Series list that you would like PLANADVISER to host? Leverage the deep content knowledge and industry contacts of our PLANADVISER editorial team to build a webinar that aligns with your content goals while ensuring interest from our readers. Upon approval of your topic, our editorial team will work with your firm to identify the right advisers and industry experts (2 to 3 max) to complement the panelist from your firm.

Sponsor-Driven ‘Native’ Webcasts

Your topic + our moderator + your panelists + your expert

Native advertising is all the rage in the B2B market these days. Our Native Webcasts give you the flexibility to develop your own content for the webinar and work with our experienced editorial staff to deliver your insight to our retirement plan adviser community. PLANADVISER provides the audience, infrastructure and webinar moderator while allowing you to build and deliver your own thought leadership message with up to three panelists from within and outside your firm.

Additional Services

Webcast360 Program
Webcast360 is a customizable email follow-up tool that directly promotes your brand, expertise and product advantages to all webcast registrants after the event. Our experience has found that post-event follow-up is key to converting your participants from interested listeners to active customers. Our Webcast360 ensures the communication loop is closed and your underlying sales proposition is understood. Benefits include:

- Webcast360 enables the sponsor/client to highlight specific areas of expertise relevant to the webcast content and to introduce other company programs.
- Webcast360 leverages the brand and relationships that PLANADVISER already has established with our readership, making it much more effective than emails sent directly by the sponsor/client.
- Each Webcast360 email is tracked, and results are delivered to your sales team—providing critical insight into the most qualified leads for closing new business.

Audience Extensions
Expand your reach to the plan sponsor community by including a second promotional campaign to the audience of our sister publication, PLANSPONSOR. Your webcast will be promoted through email, newsletters and website channels with the same consistency as your campaign via PLANADVISER.

A Full-Service Experience
PLANADVISER is a full-service webcast provider. All webcasts include the following:

- Editorial guidance throughout the content development process and webcast moderation on the day of the event
- Extensive pre-webcast marketing campaign (through direct email to PLANADVISER subscribers, promotion within our PLANADVISER dash eNewsletter and on the planadviser.com website)
- Opportunity to extend your reach to our the PLANSPONSOR audience
- Attendee registration management
- Attendee approval/denial options for our sponsors
- Technical management of the event (via the WebEx platform)
- Post-event wrap-up (including the delivery of registrant and participant lists, audience Q-and-A results, session archiving)
- Closed loop, post-event communication opportunities through our Webcast360 campaign

Timeline/Deadline Requirements:
As the exclusive sponsor of a PLANADVISER webcast, the following webcast development process is mandatory to ensure a successful event:

- Five weeks prior to the webcast: Organizers from the sponsoring company will participate in a kick-off call with a PLANADVISER editor and webcast strategy team to finalize the webcast's theme and the overall plan for the 60-minute session.
- Four weeks prior to the webcast: The webcast title and description used for marketing purposes will be finalized and delivered to our marketing manager.
- One week prior to the webcast: All panelists must attend a ‘dress rehearsal’ pre-call to review both the content flow and technical aspects of the webcast. Prior to the pre-call, a draft of the webcast presentation must be submitted for review by the PLANADVISER editor.

Additional Requirements:
- To associate your brand with your webcast, a PLANADVISER editor will moderate the webcast providing (at minimum) welcome remarks, speaker introductions and Q-and-A facilitation.
- A maximum of three panelists may participate in the webcast.
- A maximum of three custom questions may be added to the registration page to enhance the value of all leads captured.

Postpone/Cancellation Policy:
In the event of a postponement requested 30 to 60 days prior to the webcast, liquidated damages in the amount of 25% of the contracted rate will be added to the final invoice and we will work with you to identify a new date to host the webcast. In the event of cancellation occurring 30 to 60 days prior to the webcast, liquidated damages in the amount of 50% of the contracted rate will be due. In the event of postpone-ment or cancellation occurring less than 30 days prior to the webcast, liquidated damages in the amount of 100% of the contracted rate will be due. Additionally, the webcast must be scheduled/produced/delivered in the 2016 calendar year or liquidated damages in the amount of 100% of the contracted rate will be due.
Co-Sponsored Research

Teaming with PLANADVISER to create co-sponsored research is a way to showcase and enhance expertise in a specific area of the market.

PLANADVISER will help you create a unique questionnaire and will identify a target audience for a timely and topical research study. A portion of the study results will appear in PLANADVISER (print and electronic versions), and readers will be directed to your company for the full details of the research, giving you a chance to communicate directly with interested members of the pension and investment community.

Elements of a co-sponsored research study can include the following:

• Questionnaire development (10-30 questions)
• Selection of targeted names from the PLANADVISER database of retirement plans, advisers, or providers (selectable by plan type, assets, geography, and title)
• Programming of questionnaire for online response
• Solicitation and collation of responses (anonymous)
• Response calculation and delivery to you in Excel format and PowerPoint presentation
• Design of 4-page co-sponsored piece in PLANADVISER magazine, including story and charts, with quotes from your firm
• PDF file of results as published
• Editorial mention of research in the PLANADVISERdash, with a link to the piece

Specifications

Allow at least three months from questionnaire finalization to research publication in PLANADVISER.

Cost

$25,000 – $120,000, depending on length of questionnaire, target market, and scope of project
