Owner’s Manual
Screen Innovations warrants its products, to the original purchaser only, to be free from defects in materials and workmanship for a period of one (1) year from the date of purchase by the original purchaser provided they are properly operated according to Screen Innovations’ instructions and are not damaged due to improper handling or treatment after shipment from the factory.

This warranty does not apply to equipment showing evidence of misuse, abuse, or accidental damage, or which has been tampered with or repaired by a person other than authorized Screen Innovations personnel.

Screen Innovations’ sole obligation under this warranty shall be to repair or to replace (at Screen Innovations’ option) the defective part of the merchandise. Returns for service should be made to your Screen Innovations’ dealer. If it is necessary for the dealer to return the screen or part to Screen Innovations, transportation expenses to and from Screen Innovations are payable by the purchaser and Screen Innovations is not responsible for damage in shipment. To protect yourself against damage or loss in transit, insure the product and prepay all transportation expenses.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES AS TO FITNESS FOR USE AND MERCHANTABILITY. Any implied warranties of fitness for use, or merchantability, that may be mandated by statute or rule of law are limited to the one (1) year warranty period. This warranty gives you specific legal rights, and you may also have other rights, which vary from state-to-state. NO LIABILITY IS ASSUMED FOR EXPENSES OR DAMAGES RESULTING FROM INTERRUPTION IN OPERATION OF EQUIPMENT, OR FOR INCIDENTAL, DIRECT, OR CONSEQUENTIAL DAMAGES OF ANY NATURE.

In the event that there is a defect in materials or workmanship of a Screen Innovations product, you may contact our Sales Partners at 9715-B Burnet Road Suite 400, Austin, TX 78758, (512) 832-6939.

IMPORTANT: THIS WARRANTY SHALL NOT BE VALID AND SCREEN INNOVATIONS SHALL NOT BE BOUND BY THIS WARRANTY IF THE PRODUCT IS NOT OPERATED IN ACCORDANCE WITH SCREEN INNOVATIONS’ WRITTEN INSTRUCTIONS.

Keep your sales receipt to prove the date of purchase and your original ownership.

Set screws should be finger tightened only at this point.
Square the frame using a carpenters square or tape measure. Tighten the set screws using the provided allen tool. DO NOT use an impact or drill to tighten the set screws as it will damage the frame.
Frame Installation

Hardware Kit

Larger screens are shipped with slot nuts, bolts, and vertical support bars. These must be installed on large, split frame screens, or wall brackets must be installed top and bottom.
Install the t-slot nuts in the horizontal frame pieces before putting the corner brackets in.
Set screws should be finger tightened only at this point.
Tighten the set screws with the supplied allen wrench. DO NOT use a drill or impact, as this will damage the frame.
Square the frame using a carpenters square or tape measure. Tighten the set screws using the provided allen tool. DO NOT use an impact or drill to tighten the set screws as it will damage the frame.
