## MEN'S BASKETBALL TELECONFERENCES

The ACC head basketball coaches will be featured on nine Monday teleconferences during the 2018-19 season. The season's first teleconference will take place on Monday, January 7, 2019, and continue through Monday, March 4. Each coach will have 10 minutes to make an opening statement and answer questions. The coaches that have a Monday night game will not take part on that day's teleconference. The ACC Office will send out each week's order of coaches prior to each teleconference.

## ACC VIDEO CLIP SERVICE

ACC Advanced Media will provide athletic highlights and press conference excerpts to media outlets across the conference footprint via the ACC Video Clip Service (AVCS). The AVCS will enable the conference office to offer video content to the media quickly, in an easy to download format, at no cost. Starting with the football season and continuing throughout the entire ACC athletic calendar the AVCS will provide video content. It is our hope that this service will allow the media to tell the stories of the ACC throughout the year. This video content will only be available for download in a digital file format that can be accessed exclusively on the AVCS.

To register for this free service contact Slim Vollinger, Director/ACC Advanced Media, at [svollinger@theacc.org](mailto:svollinger@theacc.org) or call 336.369.1207
