ACC TIEBREAKER POLICY

The Atlantic Coast Conference Football Champion will be decided by a game between the top two (2) post-season eligible teams.

The two teams with the highest percentage of wins during all regular-season Conference competition shall play in the Championship Game. If three (3) or more such teams are tied with the highest percentage of wins or two (2) or more teams are tied with the second highest percentage of wins, the following tiebreaker procedure shall be administered to determine the representative(s) in the Championship Game.

The team with the highest win percentage, either outright or after application of the tiebreaker, shall be declared the number one seed for the Championship Game.

A. Two-Team Tie

1. Head-to-head competition between the two tied teams.
2. Win-percentage versus all common opponents.
3. Win-percentage versus common opponents based upon their order of finish (overall conference win-percentage, with ties broken) and proceeding through other common opponents based upon their order of finish.
4. Combined win-percentage of conference opponents.
5. The tied team with the higher ranking by the Team Rating Score metric provided by SportSource Analytics following the conclusion of regular season games.
6. The representative shall be chosen by a draw as administered by the Commissioner or Commissioner's designee.

B. Three (or More) Team Tie

Three team (or more) tiebreaker procedure will first be used to identify one Championship Game representative. Once that team is determined, the tiebreaker procedures restart for the remaining tied teams.

1. Combined head-to-head win-percentage among the tied teams if all tied teams are common opponents.
2. If all the tied teams are not common opponents, the tied team that defeated each of the other tied teams.
 - i. If all the tied teams are not common opponents, no tied team defeated each of the other tied teams, but a tied team lost to each of the other tied teams, such team shall be eliminated and removed from the tie.
3. Win-percentage versus all common opponents.
4. Win-percentage versus common opponents based upon their order of finish (overall conference win-percentage, with ties broken) and proceeding through other common opponents based upon their order of finish.
5. Combined win-percentage of conference opponents.
6. The tied team with the highest ranking by the Team Rating Score metric provided by SportSource Analytics following the conclusion of regular season games.
7. The representative shall be chosen by a draw as administered by the Commissioner or Commissioner's designee.

*Note: Conference games against otherwise post-season ineligible teams will always be counted in the league standings and in application of the tie-breaker policies.
