THIS IS ATLANTIC HOCKEY

A new chapter in the history of college hockey was ushered into existence when the Atlantic Hockey Association (AHA) became the sixth Division I men's ice hockey conference in 2003. Now in its 19th season of existence in 2021-22, Atlantic Hockey and its members are known throughout the NCAA landscape.

The nine original members - American International, Army, Bentley, Canisius, Connecticut, Holy Cross, Mercyhurst, Quinnipiac, and Sacred Heart - conceived the concept of a standalone ice hockey conference when it became apparent they needed an organization that represented specific hockey needs. Together, the teams broke away from the Metro Atlantic Athletic Association (MAAC) and started anew, creating the Atlantic Hockey Association on June 30, 2003. They installed Robert M. DeGregorio, Jr., former Commissioner of Hockey East and Director of Athletics at Merrimack College, as commissioner of the new league.

In August of 2004, Quinnipiac announced that the 2004-05 season would be their last in Atlantic Hockey as they were leaving to join ECAC Hockey. Four months later, Rochester Institute of Technology (RIT) announced that their men's hockey program would be elevating to Division I status from Division III and would be joining Atlantic Hockey in 2006-07. Air Force also accepted an invitation to join Atlantic Hockey in 2006-07, bringing membership up to 10 institutions.

Membership again grew in 2010-11 to 12 schools, with Robert Morris and Niagara leaving the now-defunct College Hockey America (CHA) and joining Atlantic Hockey. The AHA remained a 12-team league until the end of the 2013-14 season when UConn left for Hockey East, bringing Atlantic Hockey to 11 teams. The league would stay at 10 teams until Robert Morris University announced it was eliminating its program following the 2020-21 to set the AHA membership at 10 programs for the 2022-21 campaign.

After Holy Cross (2006) and Air Force (2009), fall one win short of advancing to Atlantic Hockey's first Frozen Four, RIT broke through in 2010 with wins over Denver and New Hampshire to send the Tigers to Ford Field. RIT (2015), Air Force (2017 & 2018), and AIC (2019) have come close to repeating that accomplishment in recent years, losing in the regional final each time.

Since its inception, Atlantic Hockey has placed as much emphasis on off-ice achievements as they have on-ice ones. A record number 209 student-athletes were named to the Atlantic Hockey All-Academic Team in 2015-16, with 2016-17 nearly matching that with 207. In addition, Atlantic Hockey's student-athletes have put in countless hours in their respective communities, leaving lasting legacies that far exceed their abilities on the ice.

Nine players have garnered CoSIDA Academic All-America status, the most recent being RIT's Adam Brubacher (2018-19, 2019-20), Kyle Haak (2016-17, 2017-18, 2018-19) and Dylan Abood (2017-18) from Air Force and Max French from Bentley (2016-17).

Five student-athletes have won the Derek Hines Unsung Hero Award – Army's Chase Podsiad (2007-08), Air Force's Michael Phillipich (2008-09) and Dylan Abood (2017-18), Holy Cross' Matt Vidal and American International's Jared Pike (2019-20). The Hines Award is presented annually to the NCAA Division I Men's Ice Hockey Player judged to best exemplify the qualities of sportsmanship, intelligence and work ethic.

Two AHA student-athletes have won the Hockey Humanitarian Award – Jeffrey Reppucci of Holy Cross (2014) and Chris Dylewski of Air Force (2016).

On the ice, Atlantic Hockey has had 15 players named AHCA All-Americans. Eric Ehn of Air Force was the league's All-American, being named a Second Team All-American in 2006-07. He was then followed by fellow Falcons Jacques Lamoureux (2008-09)

AT 113 MINUTES AND 20 SECONDS, ARMY'S 4-4 THREE-OVERTIME VICTORY OVER SACRED HEART IN THE QUARTERFINALS OF THE 2021 ATLANTIC HOCKEY POSTSEASON TOURNAMENT IS THE LONGEST GAME IN ATLANTIC HOCKEY HISTORY.

Ten Atlantic Hockey alums have reached the NHL. Former RIT

defenseman and 2009-10 Atlantic Hockey Rookie of the Year, Chris Tanev is the longest-tenured alum, having spent his entire nine-year career with the Vancouver Canucks.

Atlantic Hockey alumni continue to thrive in the AHL, ECHL, and internationally, including on the Olympic stage. Former Mercyhurst goalie Ryan Zapolski was the starting goaltender for Team USA during the 2018 Winter Olympics.

Currently, Atlantic Hockey spans a total of five states, reaching from the Atlantic Ocean to the Rocky Mountains. Members reside in Colorado (Air Force), Connecticut (Sacred Heart), Massachusetts (American International, Bentley, Holy Cross), New York (Army, Canisius, Niagara, RIT), and Pennsylvania (Mercyhurst).

COMMISSIONER ROBERT M. DeGREGORIO JR.

Robert M. DeGregorio, Jr., was introduced as Atlantic Hockey's first commissioner on June 30, 2003. He now oversees 10 league members which include American International College, Bentley University, Canisius College, College of the Holy Cross, Mercyhurst University, Niagara University, Rochester Institute of Technology, Sacred Heart University, the United States Air Force Academy and the United States Military Academy.

Under DeGregorio's tutelage, Atlantic Hockey has grown from nine member institutions at its inception in 2003 to the current 10-member roster. He orchestrated the moving of the Atlantic Hockey Tournament Championships to a neutral site, negotiating with the City of Rochester, N.Y., and the Blue Cross Arena to make the BCA the home of the semifinals and final, where it remained from 2007 to 2018. DeGregorio then worked with Buffalo's HarborCenter administration to keep the Atlantic Hockey Tournament in Western New York beginning in 2019.

DeGregorio is no stranger to guiding a major Division I ice hockey league, having served as commissioner of Hockey East from 1993-96, as he replaced Stuart P. Haskell, who resigned to devote full-time energies to his position as Commissioner of the North Atlantic Conference.

The former treasurer and Executive Council member of Hockey East, DeGregorio also oversaw the elevation of Merrimack's men's hockey program from Division II to Division I status in 1989, where it now competes as a member of Hockey East.

DeGregorio, the former Director of Athletics at Merrimack College for 19 years, joined the staff at Merrimack as business manager for the Athletic Department and for the College's S. Peter Volpe Physical Education Center in 1978.

He was promoted to Director of Athletics in May of 1983.

ROBERT M. DeGREGORIO JR.

Throughout his tenure, many of the Warrior teams become national powers. The 15-sport Division II program reached its pinnacle in 1999-2000 when it captured the Northeast-10 President's Cup, awarded for the top overall performance of all teams.

DeGregorio was also Merrimack's softball coach from 1982-1992, posting 211 victories in ten seasons and guided the Warriors to four Northeast-10 Conference titles. He was named Northeast-10 Conference Coach of the Year three times (1986, 1989, 1992). The Warriors won the 1994 Division II National Softball Championship and the softball program has a total of five appearances in the national championship tournament.

Although winning is always a goal, DeGregorio has constantly recognized and encouraged success in the classroom as well as community involvement. This was evidenced in July, 2001, when the first USA Today/NCAA Foundation Academic Achievement Awards were announced. Out of the 264 Division II schools in the country, Merrimack ranked second with an impressive student-athlete graduation rate of 86 percent.

DeGregorio has sat on numerous committees and held many posts while at Merrimack serving his institution nationally on various NCAA committees. He was a member of the NCAA Division I Ice Hockey Committee from 1994-98. DeGregorio served as director on the Northeast-10 Conference (NE-10) Board of Directors, Chairman of the NE-10 Men's Basketball Championship and the NE-10 Finance Committees. He was a member of the NCAA Northeast Region Advisory Committees for both men's basketball and baseball.

DeGregorio also previously served as a director of the Eastern Football Conference and as the conference's treasurer, member of the ECAC Finance Committee, and chairman of the ECAC Investment Committee. He was also on the executive council for the ECAC and Vice-President in 1995.

DeGregorio and his wife, Michele, reside in Winthrop, Mass.
