HEAD COACH KEVON ISA

Kevon Isa enters his fourth season as Head Women's Soccer Coach in 2017 after being appointed in summer 2014. Isa previously served as the assistant coach for nine seasons at American International College.

Isa helped guide the Yellow Jackets to a 52-23-7 record over his final four years as an assistant with three NCAA tournament appearances including a trip to the national semifinals in 2013.

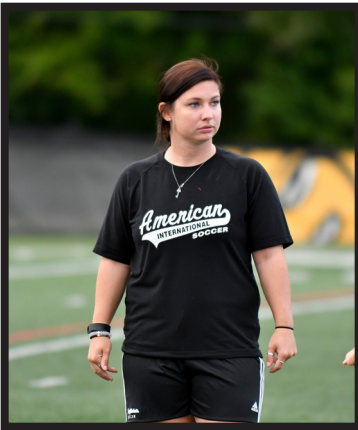

Isa led the Yellow Jackets to their first NCAA Tournament appearance of his head coaching tenure in 2016, winning 11 regular-season contests and recording a 9-5-0 Northeast-10 record. The Yellow Jackets were seeded fifth in the East Region, and advanced to the Regional Semifinals after defeating NE10 Tournament Champion Stonehill 3-1. Seven of the team's players earned All-Northeast-10 honors and five were named to the NEWISA All-New England Team.

Isa holds Advance National and a Regional Goalkeeper diplomas from the National Soccer Coaches Association of America (NSCAA) and has a United States Soccer Federation (USSF) B License.

In 2015 Isa led his squad to an eight-win turnaround from the previous season finishing third in the conference with a 12-5-2 record. AIC fell to Assumption in the Quarterfinals of the NE10 playoffs in PKs after a 0-0 tie. Isa coached three All-Region members during the 2015 season including four-time All-Conference player and three-time All-Region honoree Romina Bell.

As a player, Isa was a two-year letter winner as a member of the Yellow Jackets' men's soccer team and was named captain his senior season. Prior to his arrival at AIC, Isa played two years at Bryant & Stratton Junior College in Syracuse, New York where he was a two-year captain. He also earned all-league honors and was the recipient of the team's Leadership Award. Isa later played professionally with the Springfield Legends in the PSAL and the Massachusetts Twisters of the American Indoor Soccer League. He was also a member of the Trinidad and Tobago U-17 and U-20 National Teams.

ASSISTANT COACH CASSIE ASHWELL

One of the most dangerous strikers in the history of AIC Women's Soccer, Cassie Ashwell returns for her eleventh campaign with the team--her seventh season as an assistant coach after four seasons at forward for the Yellow Jackets.

Ashwell's soccer career took off in high school. Playing for her native Agawam High, she

was a three-time All-Western Mass selection, including All-Region and All-State in her senior year, 2006.

Ashwell then came to AIC in the fall of 2007 to double-major in Criminal Justice and Psychology and made an immediate impact on the field. Playing in every game for her four seasons with the team, the left-footed sharpshooter was named to the Northeast-10 All-Conference Team three times, earning Third-Team honors in 2008

and Second-Team selections in 2009 and 2010, as well as a Third-Team All-Region selection in her junior and senior seasons, and a start in the New England All-Star Game. In her 80 games with the team, she struck for 21 goals and 19 assists, including six game-winning goals, and culminated her playing career by helping to lead the Yellow Jackets to just their second-ever NCAA Tournament appearance and their first ever NCAA Tournament win in her senior season.

Moving behind the bench for the 2011 campaign, Ashwell has continued to provide inspiration to the team. She has worked primarily with the offensive side of the team, helping to improve the attack, and in her second season as an assistant coach, helped lead the team to their first-ever Northeast-10 Regular Season Championship and another NCAA Tournament berth. The team improved again in 2013, winning its first-ever East Regional Championship and earning a berth in the Final Four for the first time, and returned to the NCAA Tournament in 2016, the fourth appearance for Ashwell overall and her third as assistant coach.

ASSISTANT COACH ROB LIBERA

Rob Libera is in his fourth season as assistant women's soccer coach at American International.

A native of Chicopee, Mass., Libera earned his Bachelor's of science degree in case-work and counseling from Springfield College in 1997.

Libera then earned his Master's of education degree in counseling psychology from Cambridge College in 2009.

Libera was a 1992 All-Western Mass. selection in high school and went on to star at Springfield College and earn first-team all-conference honors during his senior season in 1996.

Libera also played professionally with the Capital District Shockers of the USL and as a member of the Massachusetts Twisters of the Professional Indoor Soccer league the USISL and AISL for over ten years capturing the AISL championship during the 2006-07 season.

ABOUT AIC ATHLETICS

American International College sponsors a total of 25 varsity sports; 21 compete at the NCAA Division II level, while the men's ice hockey team is an NCAA Division I member of the Atlantic Hockey Conference. AIC is a member of the Northeast-10 Conference for all its NCAA Division II offerings, with the exception of wrestling, which is an NCAA Division II Independent. In addition, the College also sponsors rugby for both men and women; the men are currently independent while the women compete in the National Intercollegiate Rugby Association.

ABOUT THE COLLEGE

AIC is a private, coeducational, four-year comprehensive institution located in the geographic center of Springfield, Massachusetts. We are a diverse community, with students, faculty, and staff from a variety of backgrounds, religions, ethnicities, and countries. Liberal arts serves as the core in all our academic offerings. The college is organized into schools of Business, Arts & Sciences; Health Sciences; and Education.

ABOUT THE NE10

The NE10 is an association of 15 diverse institutions serving student-athletes across 24 NCAA Division II sports. Together we build brilliant futures by embracing the journey of every student-athlete. Each year, 4,500 of those student-athletes compete in conference championships in 24 sports, making the NE10 the largest DII conference in the country in terms of sport sponsorship. Leading the way in the classroom, on the field and within the community, the NE10 is proud of its comprehensive program and the experience it provides student-athletes.

ABOUT RONALD J. ABDOW FIELD

Ronald J. Abdow Field serves as the home field for the American International College field hockey, football and lacrosse teams, and will play host to almost all games played by the AIC soccer teams. The facility was built during the summer of 2009 and features a turf playing surface, lights, new bleachers and a new press box and has a capacity of 4,000. The main grandstand holds 2,000 people, with additional seating on the visitors sideline and standing room areas. The new press box features private booths for football coaching staffs and a broadcast booth for www.aicyellowjackets.tv

ABOUT MASSMUTUAL SOCCER FIELD

The John G. Hoyt '52 Track & Field Complex, which includes the MassMutual Soccer Field, was completed in October 2009, featuring a six-lane 400-meter track, two long jump pits, two shot put areas, a pole vault pit, and separate areas for the hammer and javelin. The grass field located inside the track serves as an additional competition and practice facility for the men's and women's soccer teams.
