Postgame Quotes**

**Binghamton Head Coach Kevin Broadus
On UMBC**

The UMBC ball club is a wonderful ball club, from start to finish it was a wonderful game. The only way you can take over a championship is to beat the champion.

On the season

This year was an unbelievable ride for me. These guys coached me, they taught me to be a better person. These guys showed me what a true champion is all about. I just told the guys to play hard, play together, and have fun.

**Binghamton Junior Guard D.J. Rivera
On winning the title**

I don't think it really hit me yet, until tomorrow when we see our name pop up on that screen. We had a long year and worked hard. We just wanted it more. This was the only game that mattered, it was do or die.

**Binghamton Junior Guard Emanuel Mayben
On what winning the title feels like**

I'm just happy to be with my teammates and my coaches.

Right now, I'm just happy to be here, happy to be a student first and happy to be an athlete second.

On Reggie Fuller

Can't just talk about tonight when it comes to Reggie, you gotta talk about all year preseason and the regular season. It's just his heart and his will to win. At the end of the day he's one of the most important people on this team.

**UMBC Head Coach Randy Monroe
On Binghamton**

First, hats off to Kevin Broadus and his staff, it was phenomenal today. He (Reggie Fuller) played like a man possessed today. He really came out and played like a senior.(on Reggie Fuller)

On how the game played out

I thought we had numerous chances but it just wasn't meant to be...DJ Rivera made big plays when he needed to make them. Very uncharacteristic of us to turn the ball over. We were trying to do too much and we just needed to settle down. Once again, you have to give Binghamton credit for what they've done. And you got to give Kevin Broadus credit for a job well done.

**UMBC Senior Guard Jay Greene
On how turnovers impacted the game**

They played a good game. It's more self-inflicted on what we did to ourselves.

**UMBC Senior Forward Darryl Proctor
On Reggie Fuller**

He really stepped up today. He's a good player so, give him credit. We started to press and that slowed them down.
