**Postgame Quotes**

**Binghamton Head Coach Kevin Broadus**  
**On Hartford making the game close at the end**

"It was a war to the end, and like I told my guys in the locker room it's not over until the clock says zero. That Hartford team fought till the end, I take my hat off to them. They do not know how to quit, they are fighters.

**On D.J. Rivera**

"He is more to us than just scoring. You know him as the scorer, I know him as one of our best defenders and one of our better rebounders. And he did that tonight."

**Binghamton Junior Guard Emanuel Mayben**  
**On leaving the court after going down hard**

"It was a previous injury, I'll just ice and stay off my feet tonight and I'll be ready to play tomorrow."

**Binghamton Junior Guard Malik Alvin**

On his career-high 29 points

"We base our whole game off our defense, our coach tells us that if we play hard defense, we make everything easy on offense."

**Hartford Head Coach Dan Leibovitz**

**On the way the game unfolded**

"I thought it was a highly competitive game, both teams played very hard. Binghamton is an outstanding team and play maybe harder than anybody in the league on the defensive end."

"We came out and started the game very well, aggressively, showed them that we were here to play, I think our undoing was a lack of composure, a lack of poise against their pressure which is something we're better at than we played today."

**On his team's relentlessness**

"I think anybody that watches us play whether we win or lose says there's a team that never stops playing, never stops trying to win, who never stops trying to play together, who are just gritty, tough and if those are the words that somebody is going to use to describe my program I'm happy, very happy, because that says a lot about the character of the program we have."

**Senior Guard Jaret von Rosenberg**

**On his style of play**

"I've always thought of myself as somebody who just played hard. I may not be the most talented basketball player on any court but I'm going to try to play hard and do what I can to win."

**Senior Guard Michael Turner**

**On his legacy at Hartford**

"Leaving my all on the court, trying not to take plays off, playing hard and being part of a program that's going to be very successful in the future."
