

**2011 America East Men's and Women's Basketball Championship  
presented by Newman's Own**

**Friday March 4, 2011: Hartford, Conn.: Women's Quarterfinals #2**

**Final Score: #3 Binghamton 67, #6 New Hampshire 53**

**Binghamton Head Coach Nicole Scholl**

**Opening Remarks:**

"Just very happy for our program. First of all congratulations to New Hampshire. Throughout the year I thought they just continually and steadily improved and they gave us a great game today. Overall I thought our team battled, especially with the loss of Andrea Holmes. This is a crucial game that we had without her and we had some success.

**Binghamton freshman guard Jasbriell Swain**

**On how the team stopped the runs of UNH/ what was said in timeouts.:**

"She just basically said we needed to settle down, and we settled down and we regrouped and we started playing the game like we started in the beginning; like in the first four minutes. We had to come out aggressive but at the same time maintain composure."

**Binghamton junior forward Viive Rebane**

**On toughness as part of the game plan:**

"Yea it was because you know whoever loses doesn't have it. So, you have to be aggressive and have the mentality to come ready to play."

**UNH Head Coach Maureen Magarity**

**Opening remarks:**

"I want to congratulate Binghamton on a great game. They really came out tough and being very aggressive on the offense end. On the defensively, they really took us out of our offense, so I give them a lot of credit, especially without their best player. I credit my team for coming back in the second half the way they did. We played with much more expected urgency. I'm proud of our girls for playing the way they did."

**UNH senior center Jill McDonald**

**On their overall performance:** "Well we played a tough game. We fought hard. We came out in the second half and got back and we were tough but I guess we dug ourselves into too deep of a hole. Losing is a terrible feeling. I put in four years of really hard work and now it's over."
