

**2011 America East Men's and Women's Basketball Championship
presented by Newman's Own**

Sunday, March 6, 2011: Hartford, Conn.: Women's Semifinals #1

Final Score: # 3 Binghamton 44, #2 Boston U. 59

Boston U. Head Coach Kelly Greenberg

Opening Remarks:

"What a fantastic game. I thought every single one of our players, whether they played or not, were very, very ready for this game. Just a lot of energy. They did some things in the first half to us and our players made some great adjustments at the half. I couldn't be more proud. Obviously, it was a fantastic day for Alex Young. She was lighting it up but I know she will be the first one to tell you that her teammates found her and that it was our simple bread and butter offenses and she got her shots out of them."

Boston U. junior guard Alex Young

On her success:

"It was like any other game. Coach really stepped on me for shooting when my shot is not falling like in the Vermont game, to make sure I shoot through it. My teammates were finding me. They were drawing defenders and I was just moving and luckily they were able to find me. I give them a lot of credit."

Boston U. sophomore guard Chantell Alford

On struggles in the first half:

"We just feel you have to play through it. You are going to have struggles throughout a basketball game. It is how you respond to it. We came out strong in the second half and came out with the win."

Binghamton Head Coach Nicole Scholl

Opening Remarks:

"Unfortunate loss for us. I thought our players came out and played as hard as they could for as long as they could. Give credit to Boston, particularly Alex Young for her performance tonight. They just got on a roll at the end there and we just couldn't come back from it."

Binghamton senior guard Jackie Ward

On her ankle injury:

“It was bothering me a lot but my teammates helped me push through, Andrea on the sideline trying to tell me to keep my head up. I also tried to think about anything but my ankle. “

Binghamton junior forward Viive Rebane

On what the difference was in the second half:

“I think they kept making shots. I think our rotations were a little slow. “
