*Opening Statement:*

"Give credit to Stony Brook. They put a big inning and that hasn't been done to us all year. They stayed disciplined, got some key hits. You have to give them a lot of credit. Our guys kept battling; we had a good opportunity there in the last inning with some really good hitters at the plate. Their guy made some great pitches at the end."

**RHP Cody Schumacher**

*On if the heat affects pitching:*

"You can't really blame the heat like that. I have to be prepared for it. Towards the later stretch of the game I just felt that my legs were slowly giving out. I just tried to keep throwing and keep making pitches, but unfortunately I missed a few spots. Stony Brook can hit, and they gave it to me."

**IF Brock Chaffin**

*On what went wrong:*

"I felt good when Cody was out there. I felt like he was going to compete enough. We didn't play defense behind him. We probably deserved it. You got to score more after the second inning. You're not going to win games like that. Stony Brook did a good job. They competed the whole game and slowly came back into it and put a big inning on us."
