Head Coach Terry Rooney

Opening thoughts:

"Unfortunately, today was not our day. Stony Brook played better than us. I can't begin to tell you how extremely proud I am of these group of players. As a head coach of this program I couldn't be prouder of a group of young men."

On Tyler Johnson:

"Obviously, we had a game plan going in and to the credit of Stony Brook, once again they did a terrific job from an offensive job. I thought Tyler was outstanding. You can see why statistically he has the numbers he does. Everything was consistently down in the zone and he made big pitches when he needed it. "

On a lack of disappointment:

"Anytime you don't achieve the ultimate goal there is certainly a level of disappointment. But, these kids have nothing to be disappointed about. I couldn't be prouder of them. They should hold their heads high. From start to finish, throughout the whole year, we were in the Top-25 in the nation. At the end of the day when you look at the body of work, they have so much to be proud of."

On what Stony Brook did well:

"They're a great offensive team. Their pitchers are really good; they kept the ball down. They didn't make mistakes in the field. All around they played really an A-game all weekend. You'll win a lot of games making few mistakes."
