Message from the Athletic Director

The Department of Athletics is proud to bring you the first issue of the Warrior Club newsletter. This publication is offered to you as a distinct benefit for your membership in the Warrior Club. As a member, you make a difference in how we provide a first rate athletic experience for our student-athletes and I hope you will enjoy staying connected to us throughout the year.

The Warrior Club is mobilizing and doing some great things to engage our supporters in new ways. In November, the Warrior Club held its first regional event in Hackettstown, NJ where alumni, parents and fans gathered for dinner before our wrestling match with Centenary College. A similar event is scheduled on Jan. 6, when the men’s and women’s basketball teams travel to Messiah College, with a Warrior Club gathering being held in Camp Hill, PA. Thank you again for all of your support and enthusiasm.

Go Warriors!
Mike Clark ’93, Director of Athletics

Warrior Club Advisory Council
Ken Holdren ’79, Acting Chair

It is a great time to be a Warrior Club member! I would like to extend my personal thanks to Lycoming’s Administration, the athletic staff and to the members of the newly created Warrior Club Advisory Council for your support of Lycoming athletics. The Warrior Club works to impact Lycoming’s student-athletes by raising financial support through the building of relationships with alumni, parents, corporate partners and friends of Lycoming athletics. I look forward to meeting many of our Warrior Club members through the upcoming year!

Investing in Division III Student Athletes

2 National Finals Appearances | 9 National Champions
22 Academic All-Americans | 39 Conference Titles
204 All-Americans
SPOTLIGHT

Junior Blake Bowman posted the MAC’s top rushing total this year with 1,150 yards on 206 carries and a school record 17 rushing touchdowns. Highlighted by his performance on Oct. 24, Bowman rushed for 281 yards and four touchdowns, making him the first Warrior in program history to record back-to-back four touchdown games. Bowman was named Second Team All-MAC at the end of the season.

On her senior night, Bethany Richardson led the Lycoming volleyball team with 13 kills, becoming the sixth player in school history to cross the mark of 1,250 kills in a career. An All-Region and three-time All-MAC Commonwealth player, Richardson was the first in program history to receive Academic All-MAC honors in 2014.

Bowman and Richardson represented Lycoming on the MAC’s Fall Sportsmanship Team.

RECORD SETTING SEASON

With a final record of 18-2-2, the men’s soccer team finished their season with a school-record 18 wins, a school-record 20-game unbeaten streak and national rankings of 12 (d3soccer.com) and 15 (NSCAA). The Warriors defeated Messiah in the MAC Commonwealth Championship to earn their second conference title in three years. In the NCAA Championships, Lycoming hosted the first and second rounds and defeated Johnson & Wales and Dickinson to advance to the NCAA Sweet 16 for the first time in program history.

A FOCUS ON THE STUDENT-ATHLETE

Following the 2014-2015 athletic seasons, the Middle Athletic Conference recognized 85 of Lycoming’s athletes for the success they displayed in the classroom. The MAC Academic Honor Roll is comprised of student-athletes of sophomore class or higher who participated in a varsity sport and registered a cumulative GPA of 3.20 or higher. All 17 varsity athletic programs at Lycoming were represented on the honor roll.

IMPACT

Warrior Club members and men’s basketball alumni, John ’76, Jim ’78 and Steve ’84 DiMarco, recently donated funds to purchase a new shooting machine. Working with head coach, Guy Rancourt, to identify a significant need for the basketball program, the DiMarco trio made gifts to support men’s basketball through the Warrior Club to support the purchase of a shooting machine. The new equipment enhances the Warriors practice and training abilities for this year’s preparation for another conference title.

THANK YOU for your 2015-2016 Warrior Club membership! Your support of Lycoming, the athletic programs and our student-athletes advances the athletic and educational experience that is offered at Lycoming College. Go WARRIORS!
