MESSAGE FROM THE ATHLETIC DIRECTOR

We are very excited about the growth and progress of the Warrior Club and the way its membership is impacting the experience of Lycoming’s student-athletes. The Warrior Club has changed the way alumni, parents and fans interact with and support the athletic programs. In addition to the growing membership and financial support, the Warrior Club hosts team reunions and local and regional events in connection to our teams and their competition schedules. From pre-game tailgates and events to post-game celebrations and gatherings, we encourage Warrior Club members and all Lycoming fans to join us at an upcoming event. A Warrior Club sponsored event is a great time to reconnect with teammates, be introduced to other alumni, interact with current parents and meet other Lycoming fans.

We are proud of the student-athletes competing in blue and gold and are confident that you will enjoy the experience of being at a Lycoming game, match or meet here on campus or when we are in your area. Warrior Club events are another way to encourage the broader fan base to support the Warriors from the stands when our teams are on the road. Lycoming has always had a strong following in the region and your presence at a competition (hopefully wearing your blue and gold) strengthens our teams and enhances our recruiting efforts by showing that the Warriors are well represented wherever we compete.

Go Warriors!

Mike Clark ’93, Director of Athletics

INVESTING IN DIVISION III STUDENT ATHLETES

2 National Final Appearances | 9 National Champions
23 Academic All-Americans | 43 Conference Titles
215 All-Americans
Spotlight

The fall athletic season garnered conference and national recognition for Lycoming’s teams and student-athletes. The men’s soccer team won their third conference title in five years and were ranked as high as third nationally during the season. Lycoming had sixty-two athletes recognized on the MAC Academic Honor Roll and six Warriors named to the fall MAC Sportsmanship Team. Sainclair Tueno (m. soccer), Chris Solecki (m. soccer) and Jordan Lazarich (w. soccer) each earned Division III National Player of the Week honors.

Sainclair Tueno was one of two Lycoming athletes to earn All-American honors following the fall season. Tueno is the fourth men’s soccer player to be named to an All-American team and was named second team All-American by both D3soccer.com and the United Soccer Coaches. Erik Wagner (football) is Lycoming’s 23rd Academic All-American. Wagner, a senior, earned first team honors as a tight end.

Lycoming’s Newest Head Coaches

Lycoming welcomed three new head coaches to the Warrior family in Whitney Boshart (women’s lacrosse), Kenny Fern (women’s soccer) and Kip Hoffman (cross country) for the 2017-18 season.

After two years as an assistant coach with perennial Division II power Lock Haven University, Boshart took on the reins of the women’s lacrosse team for her first head coaching position. Prior to her time at Lock Haven, she was an assistant for Division III programs, Scranton University and SUNY Oneonta. She also served as a coach with several club and local leagues during her coaching career.

Fern is the women’s soccer program’s 10th head coach and the Scotland native brings a different mindset to the Warriors with his 17 years of experience coaching and teaching the game. Before coming to Lycoming, Fern worked in several manager and coaching positions with the Kaya Football Club in Manila, Philippines, the Oxford Soccer League in Connecticut, the Arsenal Football Club U-18 women’s program and the Brighton Hove Albion U-21 men’s program.

With 17 years of experience as a distance running coach, Hoffman joined the athletic staff following his 11th year as an assistant with Bucknell University’s track and field program. Lycoming’s ninth cross country head coach, Hoffman is an accomplished runner himself, having finished 83rd in the 2008 Boston Marathon and 56th in the New York City marathon.

Impact

Warrior Club support for the wrestling program is making a transformational difference! During the summer of 2017, the wrestling room was upgraded with new wall mats (replacing the originals from 1979) and this summer the wrestling (floor) mats will also be replaced, completing a two-year facility upgrade funded completely through the Warrior Club. The support for this project has contributed to a better experience for current athletes and a facility improvement that will help attract talented wrestlers to Lycoming.

Investing in Division III Student-Athletes!

The Warrior Club newsletter is a distinct benefit for your membership in the Warrior Club. Members invest in the College’s efforts to equip, train and prepare our varsity athletes.

THANK YOU for your 2017-2018 Warrior Club support!

MEMBERS $50-$99 | BLUE & GOLD $100-$249 | COACH $250-$499 | CAPTAIN $500-$999
ALL-AMERICAN $1,000-$2,499 | HALL OF FAME $2,500+
