Balanced effort leads Wofford to dominant win over The Citadel

SPARTANBURG, S.C. - In front of a sellout crowd, the Wofford men’s basketball team rolled past The Citadel 112-81 on Thursday night, outscoring the Bulldogs 65-40 in the second half while shooting over 67 percent for the game.

Five Terriers scored in double figures led by Fletcher Magee’s 24 points on 7-of-10 shooting from the floor. Nathan Hoover, Cameron Jackson and Storm Murphy each contributed 14 points.

“Alex Michael, Trey Hollowell, and Cameron have really grown up,” said head coach Mike Young. “They’re starting to understand when to shoot and when to pass, which is critical to our success.”

The Terriers scored 50 points in the first half and held an eight-point lead early in the second half, Aluma, Murphy and Hoover scored nine unanswered as Wofford took control and never looked back.

“Fletcher Magee has helped our team in a number of ways this season,” said Young. “He had an extremely efficient night shooting and passed the ball well.”

Neither team would gain an edge until a Magee 3-pointer sparked a 14-3 run in which five different Terriers scored.

“We’re making progress,” Young said. “We stacked up another league win tonight and we have another big one here on Thursday night, outscoring the Bulldogs 65-40 in the second half while shooting over 67 percent for the game.”

Moments later, Aluma would get in on the action, converting a 3-point play after getting fouled at the rim. The next trip down the court, Jackson got the ball near midcourt, turned and drove the lane, slamming it home over two defenders to increase the lead to 17.

Wofford extended its lead from this point as Magee’s 3-pointer sparked a 14-3 run in which five different Terriers scored.

“Fletcher Magee has helped our team in a number of ways this season,” said Young. “He had an extremely efficient night shooting, and he played great on-ball and team defense to help limit Matt Frierson tonight, and that was a big reason for the success.”

The Bulldogs would climb back into the game at the free throw line, pulling to within four with under three minutes to play in the half. Tray Hollowell and Murphy each answered with 3-pointers, establishing some breathing room as the Terriers took a 47-41 lead into the break.

Holding an eight-point lead early in the second half, Aluma, Murphy and Hoover scored nine unanswered to increase the lead to 17.

Moments later, Aluma would get in on the action, converting a 3-point play after getting fouled at the rim. The next trip down the court, Jackson got the ball near midcourt, turned and drove the lane, slamming it home over two defenders to put the Terriers up by 20 (73-53).

“We played an awfully nice second half,” said Young. “Cameron and Keve are so tough down low on both ends of the floor.”

A new era at Wofford began in 2018 with the opening of the Jerry Richardson Indoor Stadium. The new home of basketball and volleyball is adjacent to the north end of Gibbs Stadium, where the Terriers play football.

Wofford alumnus and trustee Jerry Richardson, Class of 1959, provided the gift to fund the facility that includes a 3,400-seat basketball arena and a 350-seat volleyball competition venue as well as offices, locker rooms, meeting rooms, training rooms and special fan areas, including several open-air suites. The facility replaces Benjamin Johnson Arena, which will continue to be used as a first-rate gymnasium for intramural and campus recreational activities.

“The Richardsons have done it again,” head men’s basketball coach Mike Young said. “First the Center for the Arts and now the Jerry Richardson Indoor Stadium. I’m eager to tour prospective students through both buildings to show them, as well as tell them, that Wofford student-athletes are students first.”

The Jerry Richardson Indoor Stadium also has a seating capacity for non-athletics functions, such as commencement and concerts, of 4,500. The facility includes “Club 51” for club seat holders, the “Boneyard” lounge in the student section, state of the art sound system and acoustical design, along with electronic charging stations throughout the building.
