By supporting the Flynn Fund, you’re helping my teammates and me grow as leaders. I know I speak for other Eagles when I say thank you for making a difference!”

Scholarships offer life-changing opportunities to our student-athletes, empowering them on the field, in the classroom, and in the community.

With a gift of $25,000, you can establish a Flynn Fund Scholarship in your name—and have an immediate impact on a talented Eagle as they pursue their goals at the Heights.

**Tailored Support**

You can customize your gift by supporting a student-athlete on a specific team or from a particular state or region. When you establish a Flynn Fund Scholarship, you will also have the chance to:

- Meet your student-athlete and see the impact of your gift first-hand
- Receive updates about your Eagle
- Attend the Flynn Fund Scholarship luncheon and meet other BC donors and recipients
- Access premier parking and ticket options to football and men’s basketball games
Visualize Your Impact

Your donation of $25,000 to the Flynn Fund Scholar-Athlete program helps strengthen all aspects of a student-athlete’s educational experience.

At BC, we believe in the education of the whole person. It’s important how our student-athletes perform on the field, and it’s also critical that they have the resources they need to excel in their studies.

"The traditions, memories, and life lessons we’ve learned at Boston College have made a lasting impression on us and our children. We view our Flynn Fund Scholarship as a way to ensure that BC’s student-athletes have a similar positive experience at the Heights.”
