The BIG EAST Conference

The 2022-23 academic year will mark the 10th since the BIG EAST Conference returned to its basketball-centric heritage and a sweeping change in institutional membership. The academic and athletic accomplishments over the previous nine years have shown the BIG EAST to be a national leader in collegiate athletics.

Since the league's reconfiguration in 2013, the BIG EAST has established itself as one of the nation's elite conferences. That proactive reputation has only been enhanced in the past few years when the BIG EAST responded to the challenges of a global pandemic while also establishing advocacy platforms to assist the conference's institutions and student-athletes in engaging in educational and social justice efforts.

Dynamic leadership has been a staple of the BIG EAST throughout its history.

Val Ackerman, who previously served as founding President of the WNBA, President of USA Basketball and U.S. representative to the International Basketball Federation (FIBA), was named the BIG EAST's fifth Commissioner in 2013. Under her leadership, the BIG EAST has maintained its reputation for achievement at the highest levels and continued its influence on the national collegiate landscape, with numerous conference and campus administrators currently serving on important NCAA committees.

Ackerman is one of the few sports executives who has held leadership positions in both men's and women's sports at the collegiate, professional, national team and international level. In 2021, she was inducted into the Naismith Memorial Basketball Hall of Fame.

The BIG EAST grew to 11 members in 2020. The University of Connecticut, a member of the conference from 1979 to 2013, was readmitted. UConn brings a rich history of academic and athletic excellence, especially in the sport of basketball. The Huskies' women's program, which won eight of its 11 national championships as a BIG EAST member, continued its unparalleled national success by advancing to its 14th straight Final Four and 23rd overall in 2022.

In the sports venues, the BIG EAST has produced 12 national champions over the past nine academic years. Seven BIG EAST teams have captured national titles, including two in men's basketball. BIG EAST student-athletes have won national championships in five individual events.

In the classrooms, BIG EAST athletic programs have been recognized by the NCAA. The conference was tied for third this past year among D-I conferences for its impressive Graduate Success Rate (GSR) of 95 percent with all 11 schools registering 90 percent or better for 2021-22. All 11 league members had GSR rates of 92 percent or better.

Forty-seven BIG EAST athletic teams posted a 3.3 or better GPA for the 2021-22 academic year. Over 2,700 BIG EAST student-athletes qualified for the BIG EAST All-Academic Team (3.0 GPA or better) amounting to 75 percent of all league student-athletes among the 11 member schools.

Outside of the arenas and playing fields, the BIG EAST has always adhered to an unwavering commitment to academic integrity, athletic excellence and community service while offering opportunities to help student-athletes to reach their potential as students, athletes and leaders.

In the summer of 2020, the conference launched "BE the Change," a conference-wide advocacy platform that enables BIG EAST stakeholders to engage on a range of contemporary racial and social justice issues. The "BE the Change" initiative continues in 2022-23.

Also in 2020, the BIG EAST created a partnership with RISE, a leading provider of educational programming that equips sports leaders to create positive change on racism, social justice and equality issues.

The conference has also launched BIG EAST University, a virtual educational service which enhances the student-athlete experience with career professional development programming primarily through webinars.

In December of 2012, DePaul, Georgetown, Marquette, Providence, St. John's, Seton Hall and Villanova announced their intention to separate from the conference's FBS football-playing schools and form an independent association. The seven schools reached an agreement to retain the BIG EAST name and assume the conference's long-term pact with Madison Square Garden to host the BIG EAST Men's Basketball Tournament. The schools also announced the addition of three distinguished institutions — Butler, Creighton and Xavier — and forged a landmark, long-term broadcast partnership with FOX Sports. The new era officially began on July 1, 2013.

The BIG EAST has been lauded as a longstanding leader in innovative concepts, particularly television, and that reputation continues with the conference's relationship with FOX Sports. The BIG EAST has enjoyed a successful multi-year partnership with FOX Sports and its national cable network FS1. FOX's comprehensive coverage of BIG EAST men's basketball includes the broadcast of all regular-season games on FOX, FS1, or FS2, as well as the BIG EAST Tournament at Madison Square Garden, college basketball's longest-running postseason conference tourney held at the same venue.

BIG EAST institutions are located in eight of the nation's 37 largest media markets, including New York, Chicago, Philadelphia, Washington, D.C., Indianapolis, Hartford/New Haven, Cincinnati and Milwaukee.

FOX Sports platforms carry extensive coverage of women's basketball regular-season play and the BIG EAST Women's Basketball Tournament. Every Olympic sport championship is carried on a network or digital platform.

The BIG EAST Scholar-Athlete of the Year

Prior to the start of the 2022-23 academic year, the BIG EAST signed a multi-year agreement with FloSports, a leading sports streaming service, to remain the home of the BIG EAST Digital Network. The pact with FloSports includes coverage of women's basketball, Olympic sports events and men's and women's basketball shoulder programming with a total of more than 600 events.

Founded in 1979 by Dave Gavitt, the former Providence men's basketball coach and athletic director, the BIG EAST Conference became a reality in May of 1979. Providence, St. John's, Georgetown, Syracuse, Seton Hall, Connecticut and Boston College formed the original seven-school alliance, and the conference became an immediate national power in men's basketball. While the composition of the BIG EAST has evolved, the focus of its schools has not changed, reflecting a tradition of emphasizing academic strength and fair play.

To complement its athletic successes, the conference established BIG EAST Serves in 2014 to align with the service missions of the member institutions. Initiatives housed under the BIG EAST Serves umbrella, the BIG EAST Career Consortium and the national partnership with the It's On Us campaign against campus sexual assaults, reflect the conference's commitment to developing the complete BIG EAST student-athlete and making a positive contribution to campus communities. The BIG EAST hosts a Well Being Forum online series to help provide institutional personnel with information, insights and basic training so they can better support the mental and physical health of their student-athletes.

Commissioner Ackerman and the BIG EAST have taken a leadership role in Sport at the Service of Humanity, an initiative created by the Vatican's Pontifical Council for Culture to focus on how sport and faith can drive positive social change. Ackerman was a delegate at the inaugural Vatican conference and has served on an advisory committee to develop the framework and content for the initiative.

The BIG EAST hosts Freshmen Fundamentals, a unique program designed to assist men's basketball student-athletes in the transition from high school to college and the elite level of BIG EAST basketball. The league hosts Transition Game for women's basketball, which assists women's basketball student-athletes in the transition from college player to emerging professional on and off the court.

The conference crowns champions in 22 sports. Men's basketball teams have earned 42 NCAA invitations in eight tournaments (2014-2022), averaging 5.25 per season.

BIG EAST men's basketball programs have enjoyed extraordinary success. UConn has captured NCAA Championship crowns in 2014, 2011, 2004 and 1999. Villanova has won national titles in 2018, 2016 and 1985. Georgetown and Marquette also have won the national championship. Butler, DePaul, Providence, St. John's and Seton Hall have all made the Final Four. The BIG EAST placed three men's basketball teams in the 1985 Final Four — Georgetown, St. John's and Villanova— still the only occurrence in NCAA history.

The BIG EAST has achieved recent success in other sports as well. The Georgetown men's soccer team won the 2019 NCAA title. A BIG EAST team has won the NCAA women's cross country championship in four of the last 13 years (Villanova twice, Providence and Georgetown once), with one runner-up finish (Providence). Georgetown's women's soccer team reached the College Cup in 2018 and 2016. Connecticut has won three national field hockey championships in nine years. Denver, an affiliate member in men's lacrosse, won the NCAA crown in 2015.

In the 43 years since the original league opened its doors, BIG EAST teams have won 42 national championships in eight different sports with 145 student-athletes winning individual national titles.

BIG EAST CONFERENCE COMMISSIONER

Val Ackerman

Val Ackerman was named the fifth Commissioner of the BIG EAST Conference on June 26, 2013. She was the founding President of the Women's National Basketball Association (WNBA) and is a past President of USA Basketball, which oversees the U.S. men's and women's Olympic basketball program. She has had a long and accomplished career in the sports industry and is one of the few executives in sports who has held leadership positions in both men's and women's sports at the collegiate, professional, national team and international levels. She is an inductee of the Naismith Memorial Basketball of Fame (2021), the Women's Basketball Hall of Fame (2011) and the New Jersey Hall of Fame (2021).

While at the helm of the BIG EAST, Val has presided over the rebirth of the conference following the decision in 2012 of seven then-current BIG EAST schools (DePaul, Georgetown, Marquette, Providence, St. John's, Seton Hall and Villanova) to separate from the original BIG EAST Conference and align with Butler, Creighton and Xavier to form the present configuration. She led the relocation of the conference office to its current site in New York City and has managed the BIG EAST's fruitful partnerships with Fox Sports, which provides wall-to-wall coverage annually of BIG EAST men's basketball on FOX, FS1 and FS2, and with Madison Square Garden, which has hosted the conference's men's basketball tournament since 1983. In 2018, the BIG EAST and MSG entered into a venue agreement extension that will keep the Garden as the home of the BIG EAST tournament through 2028. In 2019, Val also led the negotiations which resulted in the return to the BIG EAST of the University of Connecticut, one of the conference's charter members, effective July 1, 2020.

Following its return to its basketball-centric heritage, the BIG EAST has continued its national excellence in the sport over the past nine years, with 10 of the league's 11 men's basketball programs receiving NCAA tournament bids since 2013-14 and Villanova winning the national championship in 2016 and 2018. Other notable BIG EAST team athletics accomplishments since reconfiguration include national titles for Providence in women's cross country in 2013, the University of Denver (an affiliate member) in men's lacrosse in 2015, and Georgetown in men's soccer in 2019.

Conference initiatives launched under Val's leadership include the BIG EAST Digital Network, which now carries more than 500 live sports contests annually; BIG EAST Serves, the conference's student-athlete development and community service platform; non-conference men's basketball scheduling challenges with the Big Ten Conference and the Big 12 Conference; an officiating alliance with the Atlantic Coast Conference and nine other Division I conferences; the annual BIG EAST Student-Athlete Well-Being Forum, which provides guidance on a wide range of student-athlete wellness matters; a conference-wide e-sports initiative; BE the Change, a diversity, equity and inclusion platform; Freshmen Fundamentals and Transition Game, league-wide programs designed to assist men's and women's basketball student-athletes, respectively, in their endeavors off the court; and BIG EAST University, a virtual career and professional development module.

Val attended the University of Virginia as one of the school's first female student-athlete scholarship recipients. She was a four-year starter, three-time captain and two-time Academic All-American for the Cavaliers' women's basketball team and the first 1,000-point scorer in the program's history. She graduated with high distinction with a degree in political and social thought in 1981 and played one year of professional basketball in France before earning a law degree from UCLA in 1985. She received an honorary doctor of laws degree from Providence College in 2021.

Val started her legal career as a corporate and banking associate at the New York law firm of Simpson Thacher & Bartlett and joined the National Basketball Association as a staff attorney in 1988. She was as an executive at the NBA for eight years, serving as Special Assistant to NBA Commissioner David Stern and Director (and later) Vice President of Business Affairs before being named the WNBA's first President in 1996. She guided the league to a much-heralded launch in 1997 and headed its day-to-day operations for its first eight seasons. The league celebrated its 25th season in 2021.

In 2005, Val was elected President of USA Basketball for the 2005-08 term, leading the organization to an overall competitive record of 222-23 and gold medal performances by the U.S. men's and women's basketball teams at the 2008 Olympics in Beijing. She was one of the NBA's original appointees to the USA Basketball Board of Directors in 1989 and served as an organizational liaison with USAB during the early years of NBA participation in national team competitions, including the 1992 and 1996 Olympics and 1994 World Championships. A USA Basketball Board member for 23 years, Val played a key role in the long-standing success of the U.S. women's national basketball team program, which during her term won gold medals at the 1998, 2002 and 2010 FIBA World Championships and the 1996, 2000, 2004, 2008 and 2012 Olympic Games. In 2013, Val was named the recipient of USA Basketball's Edward S. Steitz Award, which recognizes outstanding contributions in international basketball.

Val also served two terms (2006-10 and 2010-2014) as the U.S. representative for men's and women's basketball on the Central Board of the International Basketball Federation (FIBA), the sport's world governing body. She was a member of FIBA's Competition Commission and served on the Central Board of FIBA Americas, FIBA's zone authority for North, Central and South America. She also served from 2017-19 as an at-large member of the U.S. Soccer Federation Board of Directors.

Val served on the Knight Commission on Intercollegiate Athletics from 2005-2017 and the NCAA Men's Basketball Oversight Committee from 2014-2019. In 2019, she was appointed co-chair of the NCAA Federal and State Legislation Working Group, which was tasked with examining the NCAA's rules relating to student-athlete name, image and likeness. The Working Group's efforts led to a comprehensive report in 2020 recommending ground-breaking new NIL opportunities.

Val is on the Board of Directors of the Women's Basketball Hall of Fame and is a Lifetime Trustee of the Naismith Memorial Basketball Hall of

FAMILIAR 'NEW' FACES LEADING PROGRAMS IN 2022-23

Thad Matta (Butler), Shaheen Holloway (Seton Hall), Kyle Neptune (Villanova) and Sean Miller (Xavier) were recently hired to lead their respective programs for the 2022-23 season, with each head coach returning to either his alma mater, the school's coaching tree or both. It marks the first time since the 2010-11 season that the BIG EAST has four new head coaches.

VILLANOVA REPRESENTED BIG EAST IN THE FINAL FOUR AGAIN

For the third time since 2016, Villanova played in the Final Four. The Wildcats became the NCAA South Region champions after a 50-44 victory over Houston in San Antonio, Texas. Villanova forward Jermaine Samuels was named the South Region Most Outstanding Player. Coach Jay Wright's second-seeded team defeated Michigan 63-55 in the regional semifinals. In New Orleans, La., Villanova lost to eventual national champion Kansas.

SIX BIG EAST TEAMS WENT DANCING

Last March, Villanova, Providence and UConn earned top-five NCAA Tournament seeds, while Creighton, Marquette and Seton Hall also received invitations to the NCAAs. Villanova, the BIG EAST Tournament champion, earned a No. 2 seed, while Providence, the regular-season champion, was a No. 4 seed and reached the Sweet 16 for the first time in 25 years. UConn claimed a No. 5 seed, followed by Seton Hall as a No. 8 seed and Creighton and Marquette as No. 9 seeds.

BIG EAST TEAMS HAVE WON NINE NCAA TITLES

The BIG EAST owns a 9-5 record in national championship games. In addition to the two recent Villanova victories in 2018 and 2016, the other winners are: Georgetown (1984); Villanova (1985); Connecticut (1999, 2004, 2011); Syracuse (2003); Louisville (2013).

BIG EAST HAS AVERAGED MORE THAN FIVE NCAA BIDS PER SEASON

With six NCAA bids in 2022, the BIG EAST has received a total of 42 NCAA Tournament invitations since reconfiguration in 2013-14, averaging 5.3 per season. That average discounts 2020 when the NCAA Tournament was not played. Villanova won the national championship in 2018 and 2016. The BIG EAST earned a high of seven NCAA bids in 2017.

BIG EAST, BIG 12 CONTINUE BATTLE

The BIG EAST-Big 12 Battle continues for a fourth season in 2022-23. Ten BIG EAST squads will participate in the series. The games will be played in the local markets of the home teams with five home contests for each conference.

BIG EAST CONTINUES DIVERSITY, EQUITY AND INCLUSION EFFORTS; TEAMS TO WEAR 'BE THE CHANGE' PATCHES FOR 2022-23

As part of the BIG EAST Conference's continued efforts to promote diversity, equity and inclusion, student-athletes across all BIG EAST sports will wear a "BE the Change" uniform patch during the 2022-23 athletic year. The patch is intended to be a visual reminder of the BIG EAST's collective commitment to champion equity and racial and social justice.

In July 2020, the BIG EAST launched "BE the Change," a social and racial justice advocacy and communications program designed to serve as the conference's primary DE&I platform. The platform is an outgrowth of the work of the BIG EAST Diversity, Equity, and Inclusion Working Group, which was formed in 2019 to promote diversity, gender equity and inclusive practices within the BIG EAST community and to create a strategic roadmap for member schools as they build on DE&I efforts already underway on their campuses.

For the first time as a member of the BIG EAST, Creighton has been tabbed to finish first in the BIG EAST Preseason Coaches' Poll. The Bluejays collected eight first-place votes and earned 98 points in the poll. Xavier was second with 86 points, including two first-place votes. Villanova was one point behind Xavier with 85 points and one first-place vote from the head coaches, who did not place their own teams on their ballots.

Connecticut was picked fourth with 77 points and Providence was fifth with 62 points. St. John's and Seton Hall finished sixth and seventh with 62 and 52 points, respectively. Butler was eighth with 36 points, four points ahead of Marquette with 32 points. Georgetown was 10th with 21 points and DePaul 11th with 12 points.

Creighton, the only league team to return three double-figure scorers from last year, finished 23-12 overall and 12-7 in the BIG EAST. The Bluejays advanced to the second round of the NCAA Tournament. For 2021-22, they will be led by junior center Ryan Kalkbrenner, who is a Preseason All-BIG EAST selection. Guard Ryan Nembhard, the BIG EAST Freshman of the Year, and forward Arthur Kaluma earned Preseason All-BIG EAST Second Team recognition. Transfer Baylor Scheierman, who was the Summit League Player of the Year, made Preseason All-BIG EAST Honorable Mention.

Xavier welcomes back coach Sean Miller, who was the head coach from 2004-09. Last season, Xavier was 23-13 and won the NIT title. They finished 8-11 in BIG EAST play. The team is anchored by 7-0 grad student Jack Nunge and junior guard Colby Jones, who are Preseason All-BIG EAST First Team picks. Villanova continued its run of national excellence last season when it made the Final Four for the third time in the last six NCAA Tournaments. The Wildcats finished 30-8 and were the runner-up in the BIG EAST regular season. Led by new head coach Kyle Neptune, Villanova has three players on the Preseason All-BIG EAST Second Team, guards Caleb Daniels and Justin Moore and forward Eric Dixon. Freshman forward Cam Whitmore has been named Preseason BIG EAST Freshman of the Year. Connecticut is slotted for fourth place. The Huskies have advanced to the NCAA Tournament in each of their last two seasons since returning to the BIG EAST. Last year, they were third in the league with a 13-6 mark and finished 23-10 overall. This season, UConn can lean on junior forward Adama Sanogo, who was chosen Preseason BIG EAST Player of the Year.

Providence, the defending regular-season champion, is picked fifth. The Friars, who were chosen seventh in last year's poll, won their first league regular-season title with a 14-3 record and finished 27-6 overall. They advanced to the NCAA Sweet 16 for the first time in 25 years. Head coach Ed Cooley was named Naismith Coach of the Year. This season, grad student guard Jared Bynum starts the season with Preseason All-BIG EAST First Team honors.

The Big Picture
Thad Matta returns to the Butler sideline where he started his head coaching career in 2000-01 and led the Bulldogs to a then-school record 24 wins and NCAA Tournament berth. Butler was not in the '21 and '22 Tournaments, the first time missing consecutive NCAAs since '05 and '06. For '22-23, junior guard Chuck Harris will aim to be the team's leading scorer for a third straight year. Guards Simas Lukosius and Jayden Taylor enjoyed promising freshman seasons. Among four transfers, three played in the NCAAs this past March – guard Eric Hunter Jr. at Purdue, guard/forward Ali Ali at Akron and forward/center Jalen Thomas at Georgia State – while the 147 blocks by Manny Bates in just two seasons at NC State are the fourth-most in school history.

The Big Picture

The Huskies will be aiming for their third straight NCAA Tournament berth in '22-23. The conversation for a third straight bid starts with forward Adama Sanogo, who is the BIG EAST Preseason Player of the Year. The junior is the only returning All-BIG EAST First Team performer. The other returning starter is athletic guard Andre Jackson with guard Jordan Hawkins likely to take on a larger role. Experienced newcomers Tristen Newton, Nahiem Alleyne and Joey Calcaterra will be counted on to contribute. The Huskies excelled again on defense last year, ranking first in the league in blocked shots, second in scoring defense and third in field goal defense.

The Big Picture

The Bluejays advanced to the second round of the NCAA Tournament last March and finished 23-12. For '22-23, they seem to have all the ingredients for a banner season and are receiving plenty of preseason notice. Center Ryan Kalkbrenner was the BIG EAST Defensive Player of the Year in '21-22. Few teams in the nation played freshmen as much as coach Greg McDermott did last year and it paid off. Guard Ryan Nembhard was the BIG EAST Freshman of the Year. Forward Arthur Kaluma and guard Trey Alexander made the BIG EAST All-Freshman Team. An addition to that nucleus is guard Baylor Scheierman, who transferred from South Dakota State. He was the Summit League Player of the Year last season.

The Big Picture
Coach Tony Stubblefield won six league games and finished 15-16 overall in his first season with the Blue Demons. With a few solid returnees and some transfers who have already shown to be productive players, Stubblefield expects his team to be improved. DePaul has a dynamic duo of shot blockers, Nick Ongenda and Yor Anei. Guard Jalen Terry enjoyed a strong first season in the program. He figures to be joined in the backcourt by shooting guard Umoja Gibson and point guard Caleb Murphy, a pair of transfers. Highly-touted freshman guard Zion Cruz may be an immediate contributor.

The Big Picture
After winning the BIG EAST Tournament title two seasons ago, nothing went right for the Hoyas last year. But coach Patrick Ewing is confident that a new mix will push them back up in the standings. Guard Dante Harris is a quality returnee at guard. He was the Most Outstanding Player at the BIG EAST Tournament when the Hoyas won in 2021. Center Qudus Wahab could be considered a transfer and a returnee since he is back after a season away. He was on the All-Tournament Team when the Hoyas won the crown. Harris figures to be supported in the backcourt by transfers Brandon Murray and Primo Spears. Transfer forward Akok Akok is a BIG EAST veteran after playing at UConn. Center Ryan Mutombo had a promising freshman season.

The Big Picture
Last year, a very young Golden Eagles team earned an NCAA Tournament invitation in Shaka Smart's first season as head coach. The roster is still relatively young with only two starters returning, but expectations remain high. The backcourt should be formidable with Kam Jones, Tyler Kolek and Stevie Mitchell back. Jones, who will move into a starter's role, is the top returning scorer. Forward Olivier-Maxence Prosper started 25 games. Forwards Oso Ighodaro and David Joplin are expected to assume larger roles. Transfer Zach Wrightsil, the NAIA National Player of the Year in 2021-22, is expected to contribute.

The Big Picture

Picked seventh in last year's coaches' poll, the Friars won their first BIG EAST regular-season title and reached the NCAA Tournament Sweet 16. Coach Ed Cooley created incredible chemistry mixing a few returnees with several newcomers. This year may be more of the same formula. Guard Jared Bynum leads the returnees after winning the BIG EAST Sixth Man Award last year. Rugged rebounder Ed Croswell and reserve guard Alyn Breed are also back. The transfers include wing Noah Locke, who has started 104 career games, promising guard Devin Carter and blocked shot standout Clifton Moore. Versatile forward Bryce Hopkins may make immediate contributions.

The Big Picture
The Johnnies finished 17-15 last year, but coach Mike Anderson wants to be better in '22-23. He can turn to an experienced lineup to reverse some of last season's close losses. Guard Posh Alexander, who has earned all-conference honors in his first two seasons, is a ball-hawking defender. He will be joined in the backcourt by transfer Andre Curbelo. DePaul transfer David Jones is an all-around contributor who might end up being the team's top scorer. Big man Joel Soriano is coming off a strong second half of last season. Guard Montez Mathis is a returning full-time starter and Dylan Addae-Wusu has been a part-time starter and an important rotation player.

The Big Picture
New head coach Kyle Neptune was on the staff when the Wildcats won national titles in 2018 and 2016. With last year's team reaching the Final Four, Villanova has been to the Final Four three times over the last six NCAA Tournaments. The Wildcats have to replace longtime contributors Collin Gillespie and Jermaine Samuels, but they can still point to a very strong nucleus that should keep Villanova contending for a title. While guard Justin Moore is still recovering from an achilles injury, he is an all-conference caliber performer. Guards Caleb Daniels and Brandon Slater are experienced contributors. Highly-touted freshman Cam Whitmore is the league's Preseason Freshman of the Year.

The Big Picture
New coach Sean Miller is back for a second stint as the Musketeers' head coach and he plans to implement a more up-tempo pace and strong man-to-man defense. He also expects the Musketeers to be contenders. Forward Jack Nunge, the team's top scorer and rebounder from last year, is back with athletic and productive guard Colby Jones. Both have earned All-BIG EAST recognition. Forwards Zach Freemantle and Jerome Hunter along with guard Adam Kunkel are battle tested performers. Transfer Souley Boum may step in immediately at point guard.

BIG EAST Hosts Freshmen Fundamentals

The BIG EAST held its eighth annual Freshmen Fundamentals program in September with the conference inviting the incoming men's basketball freshmen from all 11 schools to New York City for a two-day forum that featured interactive panel discussions and a visit to Madison Square Garden, home to the BIG EAST Tournament.

Freshmen Fundamentals is designed to assist men's basketball student-athletes in their transition from high school to the elite level of BIG EAST basketball. A former player panel included UConn's Emeka Okafor, Providence's David Duke and Creighton's Marcus Zegarowski. Tarik Turner, who is a game analyst for FOX Sports and a successful business professional, annually hosts the player panel.

Other panel topics included Media Training, Player Mental Health and Relationship Management and Safety. The student-athletes also heard from NBA executive Chrysa Chin.

The players also visited the Jackie Robinson Museum in lower Manhattan.

VILLANOVA CAPTURED TOURNEY CROWN

The Villanova Wildcats, who were ranked eighth nationally going into the 40th BIG EAST Tournament Presented by Jeep at Madison Square Garden last March, notched three hard-earned victories and won its sixth BIG EAST Championship in program history.

After a ferocious comeback moved the Wildcats past St. John's 66-65 in the quarterfinals, Villanova edged UConn 63-60 in the semi-finals.

In the title game, Villanova outlasted Creighton 54-48 to improve to 5-1 in tournament finals since conference realignment.

Wildcat guard Collin Gillespie won the Dave Gavitt Trophy as the Most Outstanding Player.
