BIG SKY MEN'S BASKETBALL - FEBRUARY 16, 2015

TIE-BREAKER

The won-lost percentage record of the teams in regular season Conference play will determine tournament seedings. The team with the best won-lost percentage in Conference play will be the host and seeded #1, the next best won-lost percentage in Conference play will be seeded #2, and so forth through all the seeds.

Procedures for determining all tournament seeding will be:

1. Two-team tie

a. Results of head-to-head competition (winning percentage) during the regular season.

b. Each team's record vs. the team (winning percentage) occupying the highest position in the final regular standings, and then continuing down through the standings until one team gains an advantage.

When arriving at another group of tied teams while comparing records, use each team's record (winning percentage) against the collective tied teams as a group (prior to that group's own tie-breaking procedure), rather than the performance against individual tied teams.

c. RPI Rankings

d. Coin toss conducted by the Commissioner or designee.

2. Multiple-team tie

a. Results of collective head-to-head competition (winning percentage) during the regular season among the tied teams.

b. If more than two teams are still tied, each of the tied team's record (winning percentage) vs. the team occupying the highest position in the final regular season standings, and then continuing down through the standings, eliminating teams with inferior records, until one team gains an advantage.

When arriving at another group of tied teams while comparing records, use each team's record (winning percentage) against the collective tied teams as a group (prior to that group's own tie-breaking procedure), rather than the performance against individual tied teams.

If at any point the multiple-team tie is reduced to two teams, the two-team tie-breaking procedure will be applied.

c. RPI Rankings

d. Coin toss conducted by the Commissioner or designee.
