2014-15 BIG SKY CHAMPIONSHIP BRACKET

Hosted By Regular-Season Champion
March 12-14, 2015

***Game times to be set by host school with approval from the conference office.**

BIG SKY TIE BREAKING PROCEDURES

To eliminate ties that may result at the end of the season, teams will be ranked by using the criteria listed below:

1. Head-to-Head Competition
 - a. Consider the head-to-head record during the Conference season. In double round robin play, a team would have to sweep the opponent to break a tie with this method.
 - b. In the cases of more than two tied teams, consider the Conference regular season record for head-to-head competition among all of the tied teams. This process is used to break ties between any of the tied teams with any remaining tied teams returning to the process at criteria 1.a..
 - c. In the case of three or more teams having identical win-loss records, the normal tie-breaking procedure would be used.

When one or more of these teams is eliminated by using the tie-breaking procedure, the remaining teams involved would then return to the criteria listed in 1.a. to break the tie.
2. Performance Against Conference Teams
This will be determined in descending order of finish, beginning with the No. 1 team.
3. RPI Rating
4. Coin Toss

Note: In all tie-breaking procedures, if more than one tie exists, the tie between the teams lower in descending order will be broken first, to facilitate the process of breaking the tie between teams higher in the order.
