12-GAME SEASON

Pairing after Open Week
Non-Conference Game
School Request
Open Week
Potential to Decrease Disadvantage
Potential to Increase Disadvantage

Opponent After Open Date = who a school faces after its open date

 # Games vs Team Open Week Prior = number of games for that team against teams coming off their open week

 # Games at a Disadvantage = team has less rest/preparation time than its opponent (i.e., if both teams have open week before facing each other, that is not a disadvantage)

FOOTBALL SCHEDULE PARAMETERS

1 Play opponent coming off an open week no more than three times in a season

2 No more than two consecutive conference road games
Open weeks and non-conference games do not count

3 UCD-SAC, UM-MSU, UI-ISU to be played the last week of the season

4 One of the last two conference games scheduled each season will be at home

5 One of the first two conference games scheduled each season will be at home

6 Request one weekend per season to be home or not home
