CREDITS

The 2026-27 Big Ten Conference women's basketball media guide is produced by the Big Ten Conference communications office. Additional information for this publication was supplied by the athletic communications offices of Big Ten member institutions. A special thanks is extended to all those who assisted on this project, especially the Big Ten communications directors and their staffs, who were invaluable to the completion of this guide.

MEDIA INFORMATION

Dear media member:

Welcome to the 2026-27 Big Ten Conference women's basketball season! The Big Ten Conference would like to thank those media members who have covered Big Ten basketball over the years and would like to welcome those new to our conference. This media guide is intended to assist in the media's coverage of Big Ten Conference women's basketball.

As always, please feel free to contact us if you have any questions or need assistance. We look forward to working with you this season!

COMMUNICATIONS SERVICES

Website

Weekly releases, statistics and standings for Big Ten Conference women's basketball, along with information on the 2027 Allstate Big Ten Conference Women's Basketball Tournament, will be available online at bigten.org.

Social Media

For real-time updates, follow us on X (fomerly Twitter) @B1GWBBall and @BigTen. You can also become a fan of the Big Ten Conference on Facebook at facebook.com/BigTenConference and Instagram @bigten or @B1GWBB.

Email Service

Information on Big Ten Conference women's basketball will be emailed throughout the year to accredited media. The Big Ten Conference utilizes a media email list website which requires media to fill out an online application to receive media emails. Once the information is submitted, media can control and adjust their own accounts to only receive the information they need. Media may also remove themselves from the media email list if necessary. For the media email list website address, contact Big Ten Conference Associate Director of Communications Candace Johnson.

Weekly Awards

The Big Ten Conference office typically announces weekly women's basketball award winners on Mondays. Award winners are chosen by a vote of the Big Ten Communications staff from nominations supplied by the schools' communications offices.

Postseason Awards

The Big Ten Conference head coaches and a select media panel will vote for the All-Big Ten teams (first, second, third and honorable mention, as well as all-freshman and all-defensive), along with Coach, Player, Freshman, Defensive Player and Sixth Player of the Year. In addition, the Big Ten Conference names one Sportsmanship Award honoree from each institution. These 18 students become candidates for the Big Ten Conference Outstanding Sportsmanship Award, as the conference honors one male and one female student from each institution at the end of the school year. Academic All-Big Ten Teams are named for every sport. The teams are composed of all letterwinners who are in at least their second academic year at their institution and carry a cumulative grade-point average (GPA) of 3.0 or higher. The conference office also presents the Distinguished Scholar Award at the end of each academic year. Students eligible for the Distinguished Scholar Award must be letterwinners in at least their second year in residence at their institution. Qualifying students must have earned a GPA of 3.7 or higher for the current academic year, excluding summer school.

COMMISSIONER TONY PETITTI

Tony Petitti was named the seventh commissioner in Big Ten Conference history on April 11, 2023. His first year of leadership included the integration of UCLA, USC, the University of Oregon, and the University of Washington, all of whom officially joined the Big Ten on August 2, 2024, growing the conference's membership to 18 institutions for the first time.

Petitti is a proven leader who brought nearly four decades of sports, business and media industry acumen to the Big Ten Conference. He previously served as deputy commissioner and chief operating officer of Major League Baseball and president and chief executive officer of MLB Network.

A 14-time National Sports Emmy Award winner, Petitti also held senior executive roles at CBS Sports and ABC Sports overseeing rights acquisition deals for a variety of sports leagues and collegiate and professional sports events, including the NCAA Men's Basketball Tournament, college football, NFL, PGA Tour, the Masters, US Open Tennis Championships, and the Little League World Series, as well as assisting in the creation of the Bowl Championship Series. He is a 2023 inductee into the Sports Broadcasting Hall of Fame.

As Deputy Commissioner and Chief Operating Officer for Major League Baseball from 2014-20, Petitti led broadcast and digital media, special events, MLB Network, MLB social media, consumer products and licensing, marketing, youth development, international, and security.

Before joining MLB, he was President and Chief Executive Officer of MLB Network from its creation until 2014. Petitti led the imagination, buildout and launch of the channel in 50 million homes, at the time the largest cable network launch in history. His vision touched every aspect of content and operations at the network, including programming, on-air talent, production, studio creation, and supporting facilities.

Petitti was selected to run MLB Network after a distinguished tenure with CBS, ending his time as the executive vice president of CBS Sports. He led the sports programming division and served as executive producer for all CBS Sports telecasts.

His professional career began with two years at the law firm of Cadwalader, Wickersham and Taft, after which he transitioned into broadcasting as a general attorney for ABC. Over the course of his eight years at the network, he was ultimately named vice president of programming and managed the acquisition and scheduling of ABC Sports content, including college football, college basketball, track and field, the Little League World Series and NASCAR events.

Petitti was a student-athlete at Haverford College, where he earned a degree in economics and was a catcher on the baseball team, and received his J.D. from Harvard Law School. He has two daughters, Danielle, a graduate of Vanderbilt University, and Ally, a graduate of the University of Southern California.

Big Life. Big Stage. Big Ten.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 18 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 105 universities in the nation according to the 2025 Academic Ranking of World Universities, including 11 in the top 40.

The Big Ten leads all conferences with more than 2,000 Academic All-Americans, including 80 honorees during the 2025-26 academic year.

Big Ten Academic Alliance schools annually conduct $17 billion in funded research.

A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 25 of the last 30 years, averaging nearly seven annually. In 2025-26, the conference captured 13 national titles and became the second conference, and first with three different schools, to win football, men's basketball and women's basketball in the same year.

Since the 2005-06 academic year, current Big Ten institutions have claimed 141 team national championships in 26 different sports.

BROAD-BASED PROGRAMMING

Big Ten institutions support more than 14,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

Nearly 2,000 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including more than 200 gold. The Big Ten Conference enjoyed its finest performance at a single Olympic Games during the 2024 Summer Olympics in Paris, France, as athletes with Big Ten ties set conference records by earning 98 total medals and 27 gold medals during the 17-day competition, surpassing the previous mark of 51 medals at the 2020 Summer Games in Tokyo, Japan. All 18 Big Ten member schools were represented at the 2024 Summer Games, competing for 64 nations in 17 sports.

PASSIONATE FOLLOWING

The Big Ten leads all conferences with 9.4 million alumni and nearly 823,000 students.

Big Ten men's and women's basketball combined for 4.8 million fans in their home arenas throughout the 2025-26 season and paced the nation in total attendance. All seven of the Big Ten ice hockey teams also ranked in the top 20 nationally in average attendance.

In 2025-26, the three most viewed college football games of the season featured Big Ten teams, as did eight of the top 10. The Big Ten Football Championship Game on FOX received over 18 million viewers, the most-watched college conference championship game of all time. Twenty-one Big Ten football games had an audience of more than five million viewers.

EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media rights agreements with BTN, NBC Peacock, CBS and FOX, more 2,000 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is carried by all major video distributors across the United States and Canada and is also available via the FOX Sports App, delivering live and on-demand programming to computers, smartphones and tablets. B1G+, the network's subscription streaming services, provides access to more than 2,700 additional events each season.

LEADERS IN INNOVATION

The Big Ten has long been a leader in innovation and progress in collegiate athletics. The conference participated in the nation's first bowl game, winning the 1902 Rose Bowl Game, and strengthened that historic relationship in 1946 by signing an exclusive agreement with the Tournament of Roses, making the Rose Bowl the first bowl game with permanent conference affiliations.

In 1915, the Big Ten also awarded the first Big Ten Medal of Honor, recognizing graduating seniors who demonstrated excellence in academics and athletics. The Big Ten continued to lead off the field, establishing the Big Ten Advisory Commissions in 1972 to connect former student-athletes with key NCAA and conference initiatives. In 1992, it became the first conference to voluntarily adopt participation goals for both men and women through its Gender Equity Action Plan.

Also at the forefront of media innovation, the conference launched the Big Ten Network (BTN), the first nationally distributed conference-owned television network.

The Big Ten has similarly helped advance student-athlete welfare, partnering with the Ivy Leage in 2012 to study the effects of head injuries in sports and support research aimed at improving athlete safety.

More recently the conference unveiled a state-of-the-art football replay center in 2024, featuring 18 dedicated replay bays and six dedicated medical observation stations, 20 years after becoming the first conference to implement instant replay. The Big Ten also championed legislation permitting coach-to-player helmet communicationand sideline video access for student-athletes and coaches, both of which debuted during the 2024 football season.

COMMUNITY & IMPACT

The Big Ten Conference is dedicated to making a lasting impact on the communities where its major events are held. In recent years, the conference has hosted sports clinics, renovated recreation centers and given elementary-aged children the chance to experience major Big Ten events.

Around the Big Ten Football Championship Game and Basketball Tournaments, the conference focuses on creating meaningful improvements, aiming to leave each location better than it was found.

Moving forward, the Big Ten will continue to collaborate with the College Football Playoff Foundation, local sports organizations and school district foundations to enhance spaces for teachers and children and provide educational opportunities for youth.
