BIG TEN. BIG NEWS.

- Week 6 features seven conference matchups, highlighted by No. 21 UCLA and No. 13 Oregon meeting at Autzen Stadium for a top-25 showdown at 3:30pm ET Saturday on CBS. A clash of the unbeaten is set for noon ET on FOX when No. 7 Indiana visits RV Nebraska.
- Dating back to the 2025 campaign, Indiana has won 21 straight games (including bowl and Big Ten Championship Game records). The Hoosiers are on the longest active streak in FBS and fifth longest streak by a Big Ten team since 1945.
- Minnesota moved to 2-0 in Big Ten play with a 20-14 win over Michigan, its first versus the Wolverines since 2014 and first at home since 1977.
- Nebraska improved to 5-0 for the first time since 2016 after defeating Maryland, 48-23.
- Northwestern opened its New Ryan Field with a 34-13 victory over Penn State. It was the most points the Wildcats had scored against the Nittany Lions since 2001. Northwestern finished with 413 rushing yards, their most in a game since 2003.
- The Big Ten has six teams ranked in the top 25 in the FBS for scoring defense, including three in the top 10. Five teams are among the top 15 in scoring offense with four in the top 10. Indiana is one of only three teams in the top 10 of both categories.
- The Big Ten had 10 teams included in both this week's AP and US LBM Coaches Polls. The AP poll featured No. 5 Ohio State, No. 7 Indiana, No. 13 Oregon, No. 19 USC, No. 20 Iowa and No. 21 UCLA, while Wisconsin, Northwestern, Nebraska and Minnesota received votes. Oregon was the lone team whose ranking remained the same in the coaches' poll with shifts for No. 5 Indiana, No. 6 Ohio State, No. 17 USC, No. 18 Iowa and No. 22 UCLA. Nebraska, Northwestern, Wisconsin and Minnesota also earned votes.
- The Big Ten Football Players of the Week were announced Monday with Ohio State's Jeremiah Smith and Wisconsin's Colton Joseph being named Co-Offensive Players of the Week. Smith had 11 catches for 206 yards and two touchdowns against Iowa. His performance lifted the wide receiver to stand alone atop the Buckeyes leaderboard for career catches (207), receiving yards (3,381) and touchdowns (36). Joseph ran for 141 yards and scored once on 13 carries while also throwing for 145 yards and three touchdowns versus Michigan State. Joseph's 141 rushing yards were the second most in a game for a Badger quarterback in program history and his 47-yard touchdown run was the longest for a Wisconsin quarterback since 1998.
- Northwestern's Braydon Brus earned Defensive Player of the Week recognition after recording nine tackles (three solo), 1.0 TFL, one sack, an interception and a pass breakup against Penn State. Brus is just the third Big Ten player in the last decade (first since 2020) to post nine tackles, one INT, one sack and one PBU in the same game.
- Purdue's Jacobo Echeverria Lozano was selected as the Special Teams Player of the Week. The Pittsburgh, Pa., native was a perfect 3-for-3 on field goals to help the Boilermakers defeat Illinois for the program's first conference victory since 2023. He ranks second for most field goals made by a Purdue freshman kicker.
- USC defensive end Luke Waffle was voted Freshman of the Week for his five tackles, including four solo stops, a career-high 2.0 TFL and one sack.
- The 2026 Discover Big Ten Championship Game will be played on Saturday, December 5, at Lucas Oil Stadium in Indianapolis and will be broadcast by FOX. The winner will represent the conference as the Automatic Qualifier (AQ) to the College Football Playoff.
- Abbott and the Big Ten Conference kicked off Season 3 of the We Give Blood drive on August 26. Donations are tracked in real-time until December 4. The school with the most donations at the end will be announced on December 5 at the 2026 Discover Big Ten Championship Game. Every donation can help save up to three lives — and someone in the U.S. needs blood every two seconds. The leaderboard can be found on page 5.
- The Big Ten has claimed three consecutive College Football Playoff championships by three different universities (Indiana 2026, Ohio State 2025, Michigan 2024).
- With national championships in football and men's and women's basketball, the Big Ten became the second conference to sweep football and basketball national titles since 1981-82. The Big Ten is the only conference to achieve the feat with three different schools.

BIG TEN FOOTBALL AWARDS

The Big Ten will continue to honor its past while recognizing its current standouts at the conclusion of the 2026 campaign. The Big Ten's enhanced football awards program presents 19 individual trophies in addition to the Big Ten Championship trophy, bearing the names of one or two former standouts. The distinguished names on these football awards honor just a small sampling of the countless students and coaches who have contributed to the conference's rich and storied history.

Seventeen of the honors will be awarded immediately following the regular season, including awards for the best quarterback, running back, receiver, tight end, offensive lineman, defensive lineman, linebacker, defensive back, kicker, punter and return specialist. Each of these individual position awards features the names of two former standouts.

The Big Ten will also continue to honor the conference's top coaches, offensive and defensive players and linemen and freshmen with end-of-year trophies. Big Ten coaches have the opportunity to claim two awards. Media voters will select the Dave McClain Coach of the Year, which has been awarded since 1972, while coaches vote for the Hayes-Schembechler Coach of the Year award. The top offensive player will receive the Graham-George Offensive Player of the Year award, the best defensive player will be awarded the Nagurski-Woodson Defensive Player of the Year award and the top freshman will receive the Thompson-Randle El Freshman of the Year award.

The winner of the Discover Big Ten Football Championship Game will receive the Amos Alonzo Stagg Championship Trophy, while the most outstanding player in the game will be awarded the Grange-Griffin Championship Game Most Valuable Player award. The conference also created two postcollegiate awards - the Ford-Kinnick Leadership Award and the Dungy-Thompson Humanitarian Award.

The full list of awards, along with a breakdown of the former standouts appearing in each award's name, appears to the right.

Big Life. Big Stage. Big Ten.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 18 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 105 universities in the nation according to the 2025 Academic Ranking of World Universities, including 11 in the top 40.

The Big Ten leads all conferences with more than 2,000 Academic All-Americans, including 80 honorees during the 2025-26 academic year.

Big Ten Academic Alliance schools annually conduct \$17 billion in funded research.

A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 25 of the last 30 years, averaging nearly seven annually. In 2025-26, the conference captured 13 national titles and became the second conference, and first with three different schools, to win football, men's basketball and women's basketball in the same year.

Since the 2005-06 academic year, current Big Ten institutions have claimed 141 team national championships in 26 different sports.

BROAD-BASED PROGRAMMING

Big Ten institutions support more than 14,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

Nearly 2,000 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including more than 200 gold. The Big Ten Conference enjoyed its finest performance at a single Olympic Games during the 2024 Summer Olympics in Paris, France, as athletes with Big Ten ties set conference records by earning 98 total medals and 27 gold medals during the 17-day competition, surpassing the previous mark of 51 medals at the 2020 Summer Games in Tokyo, Japan. All 18 Big Ten member schools were represented at the 2024 Summer Games, competing for 64 nations in 17 sports.

PASSIONATE FOLLOWING

The Big Ten leads all conferences with 9.4 million alumni and nearly 823,000 students.

Big Ten men's and women's basketball combined for 4.8 million fans in their home arenas throughout the 2025-26 season and paced the nation in total attendance. All seven of the Big Ten ice hockey teams also ranked in the top 20 nationally in average attendance.

In 2025-26, the three most viewed college football games of the season featured Big Ten teams, as did eight of the top 10. The Big Ten Football Championship Game on FOX received over 18 million viewers, the most-watched college conference championship game of all time. Twenty-one Big Ten football games had an audience of more than five million viewers.

EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media rights agreements with BTN, NBC Peacock, CBS and FOX, more 2,000 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is carried by all major video distributors across the United States and Canada and is also available via the FOX Sports App, delivering live and on-demand programming to computers, smartphones and tablets. B1G+, the network's subscription streaming services, provides access to more than 2,700 additional events each season.

LEADERS IN INNOVATION

The Big Ten has long been a leader in innovation and progress in collegiate athletics. The conference participated in the nation's first bowl game, winning the 1902 Rose Bowl Game, and strengthened that historic relationship in 1946 by signing an exclusive agreement with the Tournament of Roses, making the Rose Bowl the first bowl game with permanent conference affiliations.

In 1915, the Big Ten also awarded the first Big Ten Medal of Honor, recognizing graduating seniors who demonstrated excellence in academics and athletics. The Big Ten continued to lead off the field, establishing the Big Ten Advisory Commissions in 1972 to connect former student-athletes with key NCAA and conference initiatives. In 1992, it became the first conference to voluntarily adopt participation goals for both men and women through its Gender Equity Action Plan.

Also at the forefront of media innovation, the conference launched the Big Ten Network (BTN), the first nationally distributed conference-owned television network.

The Big Ten has similarly helped advance student-athlete welfare, partnering with the Ivy League in 2012 to study the effects of head injuries in sports and support research aimed at improving athlete safety.

More recently the conference unveiled a state-of-the-art football replay center in 2024, featuring 18 dedicated replay bays and six dedicated medical observation stations, 20 years after becoming the first conference to implement instant replay. The Big Ten also championed legislation permitting coach-to-player helmet communication and sideline video access for student-athletes and coaches, both of which debuted during the 2024 football season.

COMMUNITY & IMPACT

The Big Ten Conference is dedicated to making a lasting impact on the communities where its major events are held. In recent years, the conference has hosted sports clinics, renovated recreation centers and given elementary-aged children the chance to experience major Big Ten events.

Around the Big Ten Football Championship Game and Basketball Tournaments, the conference focuses on creating meaningful improvements, aiming to leave each location better than it was found.

Moving forward, the Big Ten will continue to collaborate with the College Football Playoff Foundation, local sports organizations and school district foundations to enhance spaces for teachers and children and provide educational opportunities for youth.

WE GIVE BLOOD

ABBOTT

BIG

Every season we give it everything we have. We give our strength, we give our souls and so much more – it’s in our blood. And now we can give that too. For the third straight season, Abbott and the Big Ten are pitting school against school in the largest blood donation competition of our lifetime to fight the largest blood shortage in a generation. The We Give Blood drive began August 26 and donations are tracked in real-time until December 4.

Want your school to win? Then don’t give up. Give blood. Every donation scores one point for your school on the leaderboard.

The winning school will receive \$1 million to advance student or community health.

Individual donors will be offered a free one month subscription to B1G+ and will be entered to win a trip to the 2026 Discover® Big Ten Football Championship Game on December 5, 2026.

Students will be able to donate at mobile blood drives on campus, and alumni, fans and students alike can donate at blood donation centers across the country. Results will be tracked in real time at BigTen.org/Abbott after donors attribute donations to their favorite school.
