GRADUATE ASSISTANT COACH

Christy Longacre was named head coach for the Ball State field hockey program in December 2015.

“Christy has proven herself as a collegiate All-American and as a valuable assistant coach,” Ball State Director of Athletics Mark Sandy said. “I am certain she will make an outstanding head coach and we are fortunate to have her lead our field hockey program.”

Longacre, a two-time All-American at Old Dominion, was first named assistant coach for the Ball State field hockey program in May 2014. She originally joined the staff as a volunteer assistant in February 2014.

“I am incredibly excited and deeply humbled to have the fortune to be Ball State’s next head field hockey coach,” Longacre said. “I would like to thank President Ferguson, Mark Sandy and Pat Quinn for this great opportunity.”

Longacre was named to the All-America first team by the National Field Hockey Coaches Association as a senior at Old Dominion in 2013 and was a second-team selection as a junior in 2012. She was a conference Defensive Player of the Year on two occasions, earning the award in the Colonial Athletic Association as a junior and in the Big East as a senior.

A two-time first team all-conference and NFHCA All-Region selection, Longacre scored 20 goals as a four-year letter winner for Old Dominion. She helped the Monarchs to four NCAA tournament appearances, including a trip to the national semifinals in 2011.

Kelsey Smither was appointed as assistant coach of the Ball State field hockey program in January 2016.

FIELD HOCKEY HISTORY
- In 33 years of MAC field hockey, Ball State owns a 167-103 overall league record for a .619 rate of success. In addition to their regular season conference record, the Cardinals have compiled an overall record of 26-19 in MAC Tournament games.
- Ball State’s first field hockey victory was a 2-1 decision against Taylor on October 25, 1975 at the former Ball State Field Hockey Field. The program’s 100th win was a 2-1 triumph against Toledo on October 19, 1984, in Kent, Ohio. BSU’s 200th victory was etched in history on November 13, 1992 with a 1-0 overtime verdict versus California in the first round of the NCAA Tournament in Oxford, Ohio. The program’s 300th win came September 6, 1999 with a 2-1 overtime victory at Syracuse.
- Ball State stepped into the national limelight on a regular basis during the 1990s. The Cardinals finished the 10-year span ranked seventh among all NCAA Division I teams in terms of overall record (174-56-3) and winning percentage (.721).
- Ball State earned Top 20 national rankings in 57 of 66 polls from 1992 through 1999, including 26 times in the Top 10. The Cardinals ranked among the top 10 teams in the nation the entire 1992 and 1994 seasons, including an all-time high of sixth for three weeks in 1992. The highest national ranking for a BSU team in the final poll of a season was No. 7 in 1994.
- Ball State put together a streak of 66 consecutive wins versus MAC opponents extending from the 1993 campaign through the 1998 regular season.
- Ball State stands as the winningest team in Mid-American Conference history, capturing 16 of a possible 30 league championships, including 13 outright, plus 10 conference tournament titles.
The Edith A. Patton Memorial Scholarship was established as a memorial to Edie Patton, an assistant field hockey coach for 14 years at Ball State, who passed away Oct. 26, 1993, after a lengthy battle with cancer.

Patton helped build Ball State’s field hockey program into one of the most respected in the country. During her tenure, the Cardinals posted 13 winning seasons, six undefeated regular season league finishes, six Mid-American Conference Championships and the school’s first-ever berth in the NCAA Tournament.

To be considered for the award, a student-athlete must meet the following criteria: 1) be a participant on the BSU field hockey team for a minimum of two years; 2) be a player who demonstrates a commitment to the defensive aspects of the game; and 3) demonstrate those kinds of characteristics that Edie so vividly displayed and encouraged, including integrity, courage, commitment, a desire to be the best and the ability to laugh at yourself. The annual award is determined by the field hockey coaching staff and athletic director.

Former Ball State head coach Karen Fitzpatrick ended her coaching career in 2000 as the most successful coach in Mid-American Conference history. Her 285 career victories rank 13th in NCAA Division I history, and she earned MAC Coach of the Year honors 11 times.

Ball State’s 1994 seniors Cathy Basso, Gina Lucido, Mindy Pretzman and Ashleigh Schoultz were inducted into the Ball State Athletics Hall of Fame Feb. 3, 2006. It marked the first time in school history an entire class was inducted simultaneously.

Ball State began as a private normal school in 1899. Eventually the campus and buildings were purchased by the Ball brothers, a group of Muncie industrialists, and given to the state of Indiana in 1918.

The institution was named Ball Teachers College in 1922 and Ball State Teachers College in 1929. The school became a university in 1965 and its 660-acre residential campus now includes more than 60 buildings and 300 additional acres of research property.

Ball State has seven academic colleges and a graduate school with over 150 majors offered, including business, education, sport administration, telecommunications, exercise science, criminal justice, communication studies, journalism, political science and construction management.
