COACHING STAFF INFORMATION

Head Coach.....	Jordan Keegan (1st Season)
.....	(503) 550-8086 jkeegan@corban.edu
Alma Mater.....	Corban University
Overall/CCC Record	0-0-0/0-0-0
Overall/CCC Winning Percentage	(.000)/(.000)
Assistant Coaches	Benny Flores (3rd Year), Justin Keegan (3rd Year),
.....	Miguel Ponce (2nd Year), Trevor Mendenhall (1st Year)

A handful of seasons learning and development under the direction of previous Corban men's soccer all-time wins leader Aaron Lewis and all-time winning percentage leader Tim Kagey has set first-year head coach Jordan Keegan up for success entering the 2026 fall season leading the Navy and Gold on the pitch. Keegan was named the 16th head coach in Warrior men's soccer program history in the summer of 2026 after Kagey announced his intentions to take over the women's team while assisting Keegan with the transition into his first head coaching position. The Warriors welcome back Keegan to their coaching staff after him having spent the prior six years aboard the Portland Timbers professional soccer association as one of their top administrative members. Since February of 2022, Keegan has maintained the title of development operations coordinator, where he oversaw the day-to-day operations for the Portland Timbers Academy. He served as the primary admin for the Timbers' academy in terms of scheduling, operations logistics, budgeting, player eligibility, academic progress, equipment management, and communication within both their professional and league partner relationships. Gaining the administrative expertise that he now holds while simultaneously working alongside some of the most successful head coaches in Corban men's soccer history set Keegan up for his newest post within the program, as he joined Kagey's coaching staff in the fall of 2020 after being recruited by and playing for Warriors' legendary head coach Aaron Lewis from 2017-19. Keegan earned both his Bachelor of Science in business administration along with a Master of Business Administration degree from Corban University in the spring semesters of 2020 and 2021, respectively, excelling as a student-athlete with cumulative undergraduate and graduate GPAs of 3.83 and 3.95 while competing aboard the Navy and Gold men's soccer program as a midfielder where he contended for CCC regular season and tournament titles.

2025 REWIND

Behind the return of Corban legend Tim Kagey, the Corban Men's Soccer program nearly battled back to clinch a spot in the CCC Tournament, but instead were on the outside looking in for a second-straight season. The team netted a single All-Conference honoree, nine Academic All-Conference selections, seven NAIA Scholar-Athletes, and three CSC Academic All-District student-athletes. A massive hole was left in the middle of the Warriors' lineup, as the vacancies left by defender/forward Alexander Guindy (All-CCC), midfielder Santiago Castano (team leader in assists/points), and goalkeeper Isaac Pureco (started 16 of 17 contests in goal) will provide first year head coach Jordan Keegan with plenty of new starting lineup possibilities to consider entering his inaugural season leading the Navy and Gold. While the departure of six starters from the 2025 lineup will provide some initial friction, five key returners from said lineup alongside a 24-man recruiting class established by Keegan and Kagey will surely result in a plethora of opportunity for the Dubs. Among the key returning pieces are forward Zachary Milczarek (team leader in goals), midfielder Alejandro Andrade (top five in minutes played), and defender/forward Aaron James, while a handful of newcomers led by freshman defender Oswaldo Cerda Pacheco and NCAA DII transfer goalkeeper Rylan Davidson will immediately fit into Keegan's 2026 gameplan.
