Welcome to Birmingham and the fifth annual Conference USA Men's Soccer Championship.

While it seems that only yesterday the league was formed, Conference USA has enjoyed tremendous success in five seasons of competition. Through contributions from our institutions, coaches, student-athletes and administrators, Conference USA has become one of the top conferences in the nation. Our beginning has been truly memorable and consequently, promises a tremendous future for C-USA in collegiate athletics. As we complete our fifth year, the league will continue to provide the best opportunities for our student-athletes.

Conference USA is committed to the development of one of the top intercollegiate athletic conferences in the country. The league sponsors 18 championship sports: nine for men and nine for women. Conference USA has quickly established a solid tradition in postseason play in all sports, enhanced by automatic bids to the NCAA Championship in volleyball, men's soccer, men's and women's basketball, men's and women's tennis and baseball. The C-USA football champion also enjoys a berth to the AXA Liberty Bowl.

Conference USA is equally committed to academic excellence with annual academic awards including the Commissioner's List, Academic Excellence Award, Team Academic Award and Student-Athlete Award of Excellence.

Conference USA Men's Soccer has provided plenty of action and excitement this season and our championship week will showcase the remarkable talents and abilities of our athletic programs.

On behalf of everyone involved with Conference USA, I hope you have a wonderful time in Birmingham!

Sincerely,

Mike Slive, Commissioner
