Across the CUSA

TOP-10 CUSA

Conference USA was ranked as high as eighth in a few metrics among all leagues around the country ... nine CUSA squads finished the season with a NET ranking inside the top 200, showing its depth in 2024-25

THE REIGNING CHAMPS!

Liberty has a .753 winning percentage (177-58) since 2018-19, sixth best of any Division I program in that span (min. 50 games) ... Liberty went 12-1 (.923) in regular-season non-conference games last season, with the lone loss coming in overtime against FAU. That was tied for the second-best mark by any CUSA team within the last 15 years (2010-11 UCF - 13-0).

RETURNING VETS

Despite losing the third-leading scorer in CUSA last season (Adrian Wooley - 18.8 PPG), Kennesaw State returns 54.8% of its scoring output, the second-highest mark in the conference (Liberty - 55.0%)

WELCOME TO THE LEAGUE!

Delaware and Missouri State will make its CUSA debut this season ... the Blue Hens are coming off an incredible run in the CAA tournament as the 12-seed a year ago ... the Bears are seeking a bounce back season in year five under Cuonzo Martin

JACKPOT IN THE PORTAL

NM State returns just 5.8% of its scoring from 2024-25, the second-lowest mark among CUSA teams (Sam Houston - 4.0%). However, the Aggies landed **Jemel Jones** (Bakersfield) via the transfer portal, whose 18.9 points per game ranked fourth in the Big West last season.

HIGH-FLYIN' OFFENSE

MTSU has led its conference in scoring twice this century - 2011-12 as a member of the Sun Belt (72.3 PPG) and last season in CUSA (76.7 PPG). The Blue Raiders' season ended with a 109-103 loss to Chattanooga, their most points scored against a fully fledged Division I opponent since January 6, 2001 (105 vs. North Texas).

PRESEASON POY

Kennesaw State's **Simeon Cottle**, the CUSA Preseason Player of the Year, averaged 18.0 points per game last season, which is the 10th most of any Division I player returning to the same team this year.

TRIPLE THREAT

Liberty's **Kaden Metheny** made at least three triples in 23 games last season, tied for the fourth-most among Division I players. Metheny's 311 career three-pointers made are the third most of any active DI player (Chase Johnston - 347, Nijel Pack - 313).

MORE TO PROVE

In 2024-25, Liberty's **Zach Cleveland** became the fifth Division I player this century to average at least 10.0 points, 5.0 rebounds, 5.0 assists and 1.00 blocks in a season

CUSA TV DEAL

As part of the league's new broadcast rights agreement, CBS Sports Network will air 15 regular-season games, along with the semi-finals and championship game at the CUSA Basketball Championship. ESPNU will show five regular-season games, and the remainder of the league's home contests will be available on ESPN+.
