Across the CUSA

➤ CUSA welcomes Delaware and Missouri State to the league as they push the total to 12 teams. The Bears welcome back some nice pieces in their offense with the return of Caden Bogenpohl who hit 13 homers, 15 doubles and knocked in 44 RBI. LT Cockrill returns behind the dish for the Blue Hens after finishing last season with a .314 average, 12 doubles, nine home runs and 37 RBI.

➤ The 2026 CUSA Championship will take place in Kennesaw, Ga., for the first time. A new format is being introduced this season as nine of the 12 teams will face off with a chance at an automatic bid to the NCAA Tournament.

➤ After another 40+ win campaign and a regular season title, the Patriots were the clear favorite to repeat as champions. DBU is projected five seniors in the everyday lineup while the weekend rotation consists of two seniors in Ryan Borberg and Jared Schaeffer. Chayton Krauss was voted the Preseason Player of the Year after hitting .332 with 15 homers and 71 RBI.

➤ It's year 10 for head coach Lane Burroughs at LA Tech as he hopes to lead his squad back to the NCAA Tournament. The 'Dogs also bring back a veteran group of bats highlighted by Sebastian Mexico who hit .315 with 12 home runs, 12 doubles and 57 RBI.

➤ After making a deep run into the conference tournament a year ago, Kennesaw State looks to build upon that success in a brand new ballpark, Mickey Dunn Stadium. The Owls will have a strong pitching staff with the return of Ty Bayer as well a pair of Georgia Tech transfers in RHP Cooper McMullen and RHP Cole Royer.

➤ Jax State may have taken some folks by surprise as they came up just short in the CUSA Championship game to WKU. The Gamecocks bring back a ton of production at the plate and on the mound. Grayson Ashe and Cooper Blauser are two of the top returning bats. Ashe hit .316 with nine doubles and 12 homers last year.

➤ WKU looks to repeat as CUSA champs as Marc Rardin heads into year four at the helm. The Hilltoppers lost several key parts of their roster, but retained guys like Kyle Hayes, Austin Haller and Reid Howard who make up three quarters of their starting INF. Gavin Perry is one of the top returning arms as he made 10 starts in 2025.

➤ Bradley LeCroy enters his second year in Lynchburg after finishing eighth a year ago, struggling in league play. Ben Blair will be back on the hill as he was named Preseason Pitcher of the Year. He struck out 94 batters in 83.1 innings last year. Tanner Marsh is one of a handful of returning bats for the Flames as he mans shortstop at an elite level.

➤ FIU is coming off a 31-win campaign, but has some holes to fill across the board. Cole Cleveland and Andrew Ildefonso both were recognized on the preseason team in the outfield. Bryce Turner is an arm to watch for this spring as he finished 2025 with a 3.47 ERA.

➤ NM State enters year three in the Jake Angier era as the Aggies look to compete with a much stronger rotation. LHP Jack Turner will bolster the Aggie staff and Steve Solorzano returns to the lineup after hitting .335 with 14 doubles and eight homers a year ago.

➤ MTSU is coming off a down year but has many bright spots heading into 2026. One of them being LHP Drew Horn who posted a 1.75 ERA and struck out 57 batters in 46.1 innings. The Blue Raiders expect to return five seniors to the lineup.

➤ Sam Houston looks to bounce back from a tough season in 2025. RHP Ryan Peterson will be the ace of this Bearkats squad as he made 14 starts last year. The offense is led by senior Brady Christensen who finished last season with 11 doubles, 10 homers and 36 RBI.
