Google Cloud Academic All-District® Men's At-Large Team Released

The 2017-18 Google Cloud Academic All-District® Men's At-Large Team, selected by CoSIDA, recognizes the nation's top student-athletes for their combined performances on the playing field and in the classroom.

First-team Academic All-District® honorees advance to the Google Cloud Academic All-America® ballot, with Google Cloud Academic All-America® teams announced in June.

The Google Cloud Academic All-District® teams include the student-athletes listed on the following pages and are divided into eight geographic districts across the United States and Canada. The Google Cloud Academic All-America® program separately recognizes honorees in four divisions — NCAA Division I, NCAA Division II, NCAA Division III and College Division. The College Division includes all NAIA, Canadian, two-year schools and other affiliations.

The Division II and III Google Cloud Academic All-America® program is partially financially supported by the NCAA Division II and III national governance structures, to assist CoSIDA with handling the awards fulfillment aspects for the 2017-18 DII and DIII Academic All-America® teams.

For more information about CoSIDA's Google Cloud Academic All-District® and Academic All-America® Teams program, visit AcademicAllAmerica.com or the [Academic All-America® home page](#) on CoSIDA.com.
