College Sports Communicators Academic All-District® Softball Teams Released

The 2023 Academic All-District® Softball Teams, selected by College Sports Communicators, recognize the nation's top student-athletes for their combined performances on the diamond and in the classroom. The CSC Academic All-America® program separately recognizes softball honorees in four divisions — NCAA Division I, NCAA Division II, NCAA Division III and NAIA.

Academic All-District® honorees advance to the CSC Academic All-America® ballot. First-, second and third-team Academic All-America® honorees will be announced June 6. The CSC Academic All-District® teams include the student-athletes listed on the following pages.

The Division II and III CSC Academic All-America® programs are partially financially supported by the NCAA Division II and III national governance structures to assist CSC with handling the awards fulfillment aspects for the 2022-23 Divisions II and III Academic All-America® programs. The NAIA CSC Academic All-America® program is partially financially supported through the NAIA national office.

Voting for the Academic All-America softball teams begins today at noon ET and closes Tuesday, May 23, at 11:59 pm ET. All CSC members are eligible to vote on the ballots in their division. To vote, go to www.collegesportscommunicators.com/awards.
