

FOR IMMEDIATE RELEASE: June 25, 2024

College Sports Communicators Academic All-District® Men's At-Large Teams Released

The 2024 Academic All-District® Men's At-Large teams, selected by College Sports Communicators, recognize the nation's top student-athletes for their combined performances in competition and in the classroom. The CSC Academic All-America® program separately recognizes at-large honorees in four divisions — NCAA Division I, NCAA Division II, NCAA Division III and NAIA.

The CSC Academic All-District® teams include the student-athletes listed on the following pages. *Reminder that in the At-Large sports category, schools from one division might compete in another division in a particular sport, so student-athletes are listed in the DIVISION of their sport, not necessarily in their institution's NCAA division.*

Academic All-District® honorees were considered for advancement to the CSC Academic All-America® ballot. **Student-athletes selected as CSC Academic All-America® finalists are denoted with an asterisk and will advance to the national ballot to be voted on by CSC members.**

NCAA and NAIA Men's At-Large Academic All-America® First-, second- and third-team honorees will be announced on Wednesday, July 17, 2024. (The Women's At-Large Teams will be announced on Tuesday, July 16.)

The Division II and III CSC Academic All-America® programs are partially financially supported by the NCAA Division II and III national governance structures to assist CSC with handling the awards fulfillment aspects for the 2023-24 Divisions II and III Academic All-America® programs. The NAIA CSC Academic All-America® program is partially financially supported through the NAIA governance structure.
