

FOR IMMEDIATE RELEASE: June 24, 2025

College Sports Communicators Academic All-District® Women's Track & Field Teams Released

The 2025 Academic All-District® Women's Track & Field teams, selected by College Sports Communicators, recognize the nation's top student-athletes for their combined performances on the track, in the field, and in the classroom. The CSC Academic All-America® program separately recognizes women's track & field honorees in four divisions — NCAA Division I, NCAA Division II, NCAA Division III and NAIA.

The CSC Academic All-District® teams include the student-athletes listed on the following pages.

Academic All-District® honorees were considered for advancement to the CSC Academic All-America® ballot. Student-athletes selected as CSC Academic All-America® finalists are denoted with an asterisk and will advance to the national ballot to be voted on by CSC members. First-, second- and third-team Academic All-America® honorees will be announced July 15, 2025.

The Division II and III CSC Academic All-America® programs are partially financially supported by the NCAA Division II and III national governance structures to assist CSC with handling the awards fulfillment aspects for the 2024-25 Divisions II and III Academic All-America® programs. The NAIA CSC Academic All-America® program is partially financially supported through the NAIA governance structure.
