

FOR IMMEDIATE RELEASE

June 16, 2026

College Sports Communicators Academic All-District® Women's At-Large teams announced for NCAA and NAIA divisions

The 2025-26 Academic All-District® Women's At-Large teams, selected by College Sports Communicators, recognize the nation's top student-athletes for their combined performances in competition and in the classroom. The CSC Academic All-America® program separately recognizes women's at-large honorees in four divisions — NCAA Division I, NCAA Division II, NCAA Division III and NAIA.

The CSC Academic All-District® teams include the student-athletes listed on the following pages.

Academic All-District® honorees were considered for advancement to the CSC Academic All-America® ballot.

Student-athletes selected as CSC Academic All-America® finalists are denoted with an asterisk and will advance to the national ballot to be voted on by CSC members. First-, second- and third-team Academic All-America® honorees will be announced July 7, 2026.

The Division II and III CSC Academic All-America® programs are partially financially supported by the NCAA Division II and III national governance structures to assist CSC with handling the awards fulfillment aspects for the 2025-26 Divisions II and III Academic All-America® programs. The NAIA CSC Academic All-America® program is partially financially supported through the NAIA governance structure.
