Cowley Tigers

CowleyTigers.com
With only one returning player on the roster from last season’s team that won 24 games and placed second in the Jayhawk Conference Eastern Division, the Cowley College women’s basketball team will enter the 2019-2020 season with several questions to answer.

One thing that should help the young squad early on is the fact that Cowley’s first seven games are all at home, with six of the games coming against junior varsity squads.

“Everything is new for them, so we will need to gel as a group and see how quickly we can learn to play together,” Cowley head coach Todd Clark said.

Cowley will look to make up for the loss of point guard and Jayhawk East Player of the Year Kedranea’ Addison as well as Second Team all-conference post player Brenda Da Silva.

“With not having Brenda inside, we don’t have a great deal of size,” Clark said. “We will need to see who will step up and help us out.”

Forwards on the roster are Mar Gonzalez from Madrid, Spain; Teagan Brouwer from Edmonton, Canada; Rashanna Thorne from Christ Church, Barbados; Mikaya Malik from Houston, Texas; Jayden Marlnee from Augusta, KS; Torri Vang from Wichita, KS; and returning sophomore Emily Florentino-Aguiar from Sao Paulo, Brazil.

Florentino-Aguiar appeared in 27 games as a freshman, making two starts, and averaged 2.9 points and 1.5 rebounds.

“She will have to carry the load in terms of leadership,” Clark said. “We will need her to contribute. She has done a good job of putting the time in the gym.”

Freshmen Milena Fromming from Candelaria, Brazil and Ayanna Aoyoma from Brasilia, Brazil will be in the hunt for the starting point guard position.

Other guards on the team are Yasemin Charles from London, England; Jessica McGrath from Widnes, England; Connie Taylor from Kaiapoi, New Zealand; Seanna Boltz from Pine Ridge, South Dakota; Kalyne Daniels from Fort Worth, Texas; Shontrice Austin from Decatur, Georgia; Ayanna Correll from Wichita, KS; and Aysia Arrowood from Valley Center, KS.

“We will need to find a cohesive group that can work together,” Clark said.

Cowley will face only one non-junior varsity team, Northern Oklahoma College-Tonkawa (twice), in the first 10 games of the season before beginning the grueling task of competing in the Jayhawk Conference.

“Development as a group will be key for us,” Clark said. “We will see how much we improve between now until February. It will be a night in and night out fight in the conference.”

Clark, who is the all-time winningest head coach in the history of the program, is no stranger to challenges as he has led Cowley to 13 straight 20-win seasons.

“We will have to play well to be competitive and embrace the process and try to get better,” Clark said.

Head Coach: Todd Clark  
Assistant Coach: Troy Thrasher  
Manager: Teresa Harris
Todd Clark, the all-time winningest basketball coach in Lady Tiger history, begins his 16th season as head women’s basketball coach at Cowley. Clark has compiled a record of 358-130 in his first 15 seasons as head coach of the Lady Tigers. He helped guide Cowley to an undefeated conference championship in his first season as coach and has a 73 percent career winning percentage at the school. With Clark at the helm, Cowley has achieved 20 or more wins in a school record 13 straight years as the team finished 24-8 during the 2018-19 campaign and placed second in the Jayhawk Conference Eastern Division. He was named Co-Coach of the Year in the Jayhawk East during the 2018-19 season. He helped Cowley go 26-7 during the 2017-18 season, 24-9 during the 2016-17 season, and the 2015-16 team qualify for the NJCAA Division I National Tournament for the first time since 1989 when the squad finished with a record of 27-8.

Clark helped Cowley finish the 2014-15 season with a record of 24-8 and the 2013-14 season with a record of 22-9 overall, while the 2012-13 team finished 29-5 overall and 16-2 in the Jayhawk Conference Eastern Division. The Lady Tigers advanced to the Region VI championship game before having its season come to an end. Prior to that, Clark guided the Lady Tigers to the Jayhawk East title and was named the conference’s Coach of the Year during the 2010-2011 season.

The Coach of the Year award was Clark’s second during his time at the school as Cowley finished that season with a record of 25-8 overall and 16-2 in the conference. Clark served as an assistant coach on the Lady Tiger coaching staff from 1997-2000. During his time as Darin Spence’s top assistant, Cowley produced an outstanding 19-9 record along with four Jayhawk Conference Eastern Division championships. After his first coaching stint at Cowley, Clark went on to serve as the top assistant coach at NCAA Division I University of Texas-San Antonio. During his two years at UTSA, he helped turn the program around from seven wins in 1999-2000 to 16 wins in both the 2000-2001 and 2001-2002 seasons and a third place finish in the Southland Conference.

Clark began his college coaching career as the head women’s coach at Kansas Newman University from 1989-1993 and has held assistant coaching positions at fellow Jayhawk Conference schools Pratt Community College and Colby Community College. Clark, a 1986 graduate of Kansas Wesleyan University, holds a bachelor’s degree in health and physical education and received his master’s degree in 1996 from Wichita State University in Sports Administration. Clark and his wife Candy have two sons, Cevin and Cadon. Coach Clark can be reached at (620) 441-5226 or by e-mail: clarkt@cowley.edu.

Troy W. Thrasher begins his seventh season as an assistant coach at Cowley College and his 26th season overall in coaching. The Lady Tigers have gone 147-49 during his first six years at the school and qualified for the NJCAA Division I National Tournament for the first time since 1989 during the 2015-16 season. Thrasher is the all-time winningest women’s basketball coach in the history of Brown Mackie College-Salina. Prior to coming to Cowley, Thrasher spent the previous four seasons at Brown Mackie, winning a total of 77 games, including winning 20 plus games per year each of the last three seasons. The 2012-2013 Brown Mackie squad finished 23-9, tying a school record for most wins in a single season. That year’s team also led all junior colleges in the state of Kansas in points scored per game (75.5).

Prior to Brown Mackie, Thrasher was a successful high school coach, posting a 184-88 record. He also had assistant coaching stops at Hutchinson Community College (women’s team) and the University of Dallas (men’s team). His career coaching record is 288-142. Coach Thrasher is a graduate of Emporia State University, earning his BSE in 1994. He also holds a master’s degree in athletic administration from Wichita State University (2002). Thrasher is the father of two, McKenzie and Madison. He can be reached at 620-441-5300 or at thrashert@cowley.edu.

High school teammate of fellow Lady Tiger Anna Aoyama. She was named the best player in the state while in high school and plans to major in physical therapy. Her favorite basketball movie is Coach Carter.

Accomplished basketball player from England that helped her high school team capture the Division One Championship. The accounting major’s favorite basketball movie is Space Jam.

Helped Goddard High School qualify for the state tournament and scored a career-high 30 points while playing for the Lady Lions. The marketing/business major’s favorite basketball quote is “You miss 100 percent of the shots you never take”.

Freshman guard from England that helped her high school team capture the regional tournament. The athletic training major is one of five children in her family. Her favorite basketball movie is Glory Road.

Freshman guard from Valley Center High School is one of eight children in her family. Her favorite basketball players are Candace Parker, Lisa Leslie, and Aja Wilson.

Talented player from New Zealand that helped her high school team capture back-to-back region titles. Her favorite basketball player is Steph Curry and her favorite basketball movie is Amateur.

Saw action in 27 games as a freshman and averaged 2.9 points while shooting 54.5 percent from the floor. The pre-veterinary medicine major’s favorite basketball player is LeBron James.

Played high level basketball in Brazil. The physical therapy major hopes to one day play at the NCAA Division I level. Her favorite basketball player is Kyrie Irving.
Scored a career-high 33 points and helped Augusta High School qualify for the state tournament as a junior. The pre-nursing major has four siblings.

Surpassed 1,000 career points while playing basketball at Riverside Indian School in South Dakota. She was selected to play in the Oklahoma Native All-State basketball game and plans to major in pre-nursing.

The Most Valuable Player of her high school team, Thorne plans to major in entrepreneurship. Her favorite basketball quote is “Your limits are somewhere up there waiting for you to reach beyond infinity”.

Helped Summer Creek High School in Edmonton, Canada advance to the semifinals of the state tournament. The pre-nursing major’s favorite basketball movie is Air Bud.

Post player that came to Cowley from Spain. The business major enjoys the closeness of the Cowley basketball team. Her favorite basketball player is Pau Gasol.

Scored more than 1,000 points in her high school career. The liberal arts major’s favorite player is Paul George.

Placing second in the rugged Jayhawk Conference Eastern Division during the 2018-19 basketball season, the Cowley College men’s basketball team has added some exciting recruits to go along with a pair of returning all-conference players in a quest to compete for the conference title.

The Tigers return only three players from last year’s team, but two of them are all-conference performers in Deng Bol and Isaac Nwosu.

A Second Team All-Conference selection as a freshman, Bol averaged 10.3 points and 4.2 rebounds per game, while shooting 50 percent from the floor.

An Honorable Mention All-Conference selection as a freshman, Nwosu averaged 10.3 points per game to go along with 5.1 boards per contest. Nwosu shot 51 percent from the floor and averaged just under 20 points per game over the Tigers’ final eight contests.

“Those two played a lot of minutes as freshmen in this great league,” Cowley head coach Tommy DeSalme said. “They are tough guys that we hope rub off on the freshmen.”

Sophomore forward Malik Coats also returns after appearing in 26 games as a freshman.

Cowley has added a strong freshmen group featuring 13 newcomers. Included in the freshmen are eight guards and five forwards. Out-of-state freshmen guards are Martaveon Jones, Mike’l Henderson, Moses Nuangki, Moun’tae Edmundson, and Shemarri Allen. In-state freshman guards are Donald Bobbitt from Wichita and Cevin Clark from Arkansas City.

Clark, who led the state of Kansas in scoring as a senior, is the son of Lady Tiger basketball head coach Todd Clark.

“We wanted to be more athletic and have a better ability to shoot the ball across the board and I think Eric (Nitsche) did a great job of finding those kind of guys in this recruiting class,” DeSalme said. “This group loves to compete in the gym. We wanted a group of ball players that have the ability to shoot, dribble and pass, and I believe we have that in this team.”

DeSalme also said Jones, Henderson, and Clark can be real catalysts for the team because of their ability to score and defend.

The four freshmen forwards are Dalen Ridgnal, Jacquez Yow, Biar Garang, and redshirt freshman Will Mangum, who spent last year at the University of Missouri-Kansas City.

Mangum and Ridgnal are hybrid type forwards that will provide a strength the team has not had in a few years, while Shemarri Allen has a chance to play multiple positions on the offensive and defensive ends of the floor.

“Our ability to shoot the basketball should be a strength of our team,” DeSalme said. “We believe we have built a roster that can sustain any nicks or bruises that come up throughout the season. There is not a lot of drop off between guys one through 16 on the roster.”

Cowley will play seven of its first 10 games on the road prior to opening conference play.

“We will be challenged early in the season,” DeSalme said. “Our preseason schedule sets us up for how grueling the Jayhawk Conference is.”

After averaging 80 points per game during the 2018-19 season, DeSalme expects the Tigers to increase that number this season.

“We want to play at a faster pace, kind of a controlled chaos,” DeSalme said. “It may take a while to learn how to play this fast and hard, but I think we will end up being a fun style of basketball to watch.”

Head coach: Tommy DeSalme
Assistant Coach: Eric Nitsche
Manager: Kaleb Vining
Tommy DeSalme begins his 11th season as head men’s basketball coach at Cowley College.

DeSalme has guided the Tigers to a record of 189-132 in his first 10 years at the school. He needs only three more wins to become the all-time winningest coach in the history of the Tiger men’s basketball program.

DeSalme guided the Tigers to a second place finish in the Jayhawk Conference Eastern Division during the 2018-19 season.

Despite inheriting a roster that featured only two returning sophomores, DeSalme guided the Tigers to their third straight conference title and a record of 21-11 overall during his first season as head coach. He followed up that success by leading Cowley to a record of 25-8 during the 2010-2011 season as the Tigers finished just one game away from winning their fourth straight conference title.

In year three at the school, DeSalme guided the Tigers to the Region VI title and just missed playing for the championship as the team suffered an overtime loss to eventual national runner-up Hutchinson Community College.

During the 2016-17 season the team won a home playoff game and once again advanced to play at the Region Tournament at Park City’s Hartman Arena. The 2017-18 season saw the Tigers achieve 20 wins for the first time since the 2012-13 season, prior to Cowley finishing with a conference runner-up finish and a record of 19-12 this past season.

Prior to taking over at Cowley, DeSalme spent the previous two seasons at Independence Community College, where he led the Pirates to a record of 45-19 overall and 29-7 in the Jayhawk Conference Eastern Division.

During DeSalme’s first season coaching the Pirates, he led them to a 26-6 overall record, a No. 16 national ranking, a second place conference finish, and a 21-game winning streak. The 21-game winning streak is the longest in Independence history.

Prior to coaching at Independence, DeSalme had successful coaching stints at Kansas Wesleyan University, Sterling College, and Southeastern Oklahoma State University. DeSalme’s current overall coaching record stands at 346-222.

DeSalme completed just one season at Kansas Wesleyan University but promptly led the Coyotes to a 28-4 record, a KCAC conference and postseason title, a No. 6 national ranking, a 19-game winning streak, and a trip to the second round of the NAIA National Tournament. The 28 victories also broke a school record for most victories in a season. The Coyotes also enjoyed a 17-1 league mark, an all-time best in a 10-team KCAC conference race.

Under DeSalme, the Coyotes led the nation in defensive points per game average and were third in the nation in steals. DeSalme was also named KCAC Coach of the Year.

Prior to Kansas Wesleyan, DeSalme spent five seasons at Sterling College, where he turned around a program that consistently finished near the bottom of the KCAC standings to a contender for the KCAC title in each of his five seasons. DeSalme left Sterling with an 84-67 overall record and a 60-30 record in KCAC regular season play. Sterling finished second place in the KCAC for four consecutive seasons, and earned a berth to the NAIA Division I National Championships, finishing with a No. 5 ranking in the NAIA Division I final poll in 1997 with an overall record of 27-4.

DeSalme earned his Master of Education from Southeastern Oklahoma State in 1999 after earning his Bachelor of Education from Southeastern Oklahoma State in 1995.

DeSalme played collegiate ball at SOSU, where he was a four-year letter winner and a two-year starter.

A native of Bartlesville, Oklahoma, DeSalme garnered all-state, all-region and all-district honors as a senior at Bartlesville High. As a three-year letter winner, he helped guide Bartlesville to a pair of state titles in 1989 and 1991.

Coach DeSalme can be reached at 620-441-5221 or by email desalmet@cowley.edu.
Eric Nitsche begins his sixth season as an assistant coach. He helped the Tigers increase their win total for three straight seasons (2016-18) and assisted the Tigers en route to their second place finish in the Jayhawk East during the 2018-19 season.

Nitsche, who was an All-City basketball and football player at Shawnee Mission North High School, played his first two years of college basketball at Kansas City Kansas Community College before spending his final two seasons at the University of Saint Mary. He led his college teams to 20 plus wins all four years and finished in the top-10 in career three-point field goal percentage at both schools. Following his playing days, he went on to spend three years as an assistant coach at Kansas City Kansas Community College and helped the Blue Devils win 25 games during the 2010-2011 season.

Nitsche and his wife, Hannah, have three sons. Nitsche can be reached at 620-441-5227 or by email: eric.nitsche@cowley.edu.

Combo-guard that was an All-State selection at Kansas City Southeast High School. Elite passer that can also score in a variety of ways.

Has a chance to become an elite point guard. Can pass, shoot, and defend. He was named an All-State basketball player at Lee’s Summit North High School.

Strong combo-guard that played his high school basketball at Carlisle High School in Virginia. He can score and also provide the team with good defense.

All-State guard from Centennial High School in Oklahoma. Quick player that can really score and will provide leadership to the team.
5 SHEMARRI ALLEN

FRESHMAN / 6’4” / GUARD

HOMETOWN: RALEIGH, NC

High energy player that attended TC Roberson High School in North Carolina. His ability to play multiple positions will create matchup problems on offense.

10 DONALD BOBBITT

FRESHMAN / 5’10” / GUARD

HOMETOWN: WICHITA, KS

Blue collar player that comes from a great high school basketball program in Heights High School. He does a lot of the tough things to help his team win games and can develop into a defensive stopper.

11 DENG BOL

SOPHOMORE / 6’3” / GUARD

HOMETOWN: KANSAS CITY, MO

A Second Team All-Conference selection as a freshman, Bol averaged 10.3 points and 4.2 rebounds per game, while shooting 50 percent from the floor. Known as an elite defender, Bol has worked hard to improve his offensive game.

13 CEVIN CLARK

FRESHMAN / 5’11” / GUARD

HOMETOWN: ARKANSAS CITY, KS

All-State basketball player that led the state of Kansas in scoring as a senior at Arkansas City High School. Has unlimited range and terrific instincts for the basketball. His father, Todd, is the head women’s basketball coach at Cowley.
Transfer from the University of Missouri Kansas City that has a high motor and good leadership skills. Hybrid type player that can guard anywhere on the court.

Another player from Lincoln Academy that can really score. Known as a unique athlete that can play three to four positions on the floor.

An Honorable Mention All-Conference selection as a freshman, Nwosu averaged 10.3 points per game to go along with 5.1 boards per contest. Nwosu shot 51 percent from the floor and averaged just under 20 points per game over the Tigers' final eight contests. Has a chance to be one of the top players to play for Coach DeSalme.

Appeared in 26 games as a freshman. Expected to have an expanded role as a sophomore. He has worked on improving his offensive game and could develop into a defensive stopper.

Jeff Fluty begins his 13th year as head athletic trainer. Fluty earned a degree from Southwestern College in health and physical education with an emphasis in athletic training in 2002. He also earned an M.Ed in sport management from Wichita State University. He graduated from Eastern Hills High School in Fort Worth, Texas.

After graduating from Southwestern, he spent a year as an athletic trainer at Southwest Missouri State University in Springfield, Mo., where he worked with the baseball and football teams. However, he returned to Southwestern in August 2003 to be the school’s head athletic trainer, and held the position until 2005. Fluty is the son of Mike and Theresa Fluty. He has two children, Michael and Lauren.

Blake Smith enters his third season as the Tigers’ Assistant Athletic Trainer. Smith graduated from Dexter High School in 2011 and attended Cowley’s Athletic Training Program for two years. He graduated from Southwestern College in 2016 with a Bachelors of Science in Athletic Training.

Lindsay Sanderholm begins her 21st year as head coach of the Tigerette Danceline and eighth year in charge of the cheer team. Sanderholm was a two-time All-American dancer. She has been featured in “Who’s Who of U.S. Dance Directors”, has earned her NCA/NDA Coaches’ Certification and AACCA Spirit Safety Certification.

Originally from Wellington, Kansas, she participated in dance team at Wellington High School and served as team captain her junior and senior years. She received her associate’s degree from Cowley County Community College where she was a member of the Tigerette Danceline. She was team captain her sophomore year under Lana Sleeper and competed at UDA Dance Nationals in Florida. While at Cowley, she was also a member of Phi Theta Kappa Honor Society, a student ambassador, and a cast member in the college’s musical. After Cowley, Sanderholm received her Bachelor of Integrated Studies degree from Emporia State University.

During the 2019 season, the Tigerettes and Cheer Team finished as Region VI Champions. Sanderholm led the Tigerettes to a third place finish and the Cheer Team to a second place finish at The College Classic National Championship in Las Vegas.

Sanderholm and her husband, Aaron, are the parents of Madilynn, Easton, and Lilliann.

Chelsi Turner begins her third year as an assistant coach of the Cowley Cheer team and the Tigerette Danceline. Turner has more than 13 years of cheer and dance experience. Originally from Andover, KS, she participated in the cheerleading squad at Rose Hill High School and was named “Who’s Who” among Kansas student athletes. She received her associate’s degree from Cowley College where she was a member of the Cowley Cheer squad. While at Cowley she was also a student ambassador. After Cowley, Turner received her Bachelors in business administration from Tabor College. Turner and her husband, Chase, are the parents of Kyndall 7, and Kymber 4.

Adjusting to college life can be a challenge for any student. Add on the stress of competing for a nationally ranked athletic team and moving to a new community far away from family and friends, and you have a student who needs a foster family. The Cowley College Bruce Watson Foster Parent Program is designed to meet these needs.

Many of Cowley’s athletes come from different states and even other countries and do not have the ability to have relatives or friends nearby. It’s a lonely feeling. That is why the Foster Parent Program exists. It provides a bridge for the student athlete to connect with the Cowley community and builds wonderful, lasting relationships.

Foster parents provide the occasional home-cooked meal and general emotional support to the Tiger athletes who are far away from their families.

The Cowley College Bruce Watson Foster Parent Program has been in existence for several years and continues to be a life-changing experience for all involved.

Those interested in joining the Cowley College Bruce Watson Foster Parent Program or have questions about the program, please contact Frank Arnold at frank.arnold@cowley.edu or 620.441.5388.
