Dear Pioneers:

On behalf of all us here on campus I want to say “Thank You” for your support of your Pioneers. Pioneer Nation members like yourself hail from many walks of life. But no matter whether you are a Pioneer alum, a family member, a community supporter, or a fan who found inspiration in the stories of our young leaders, we APPRECIATE you.

I also want to thank you in advance for reviewing this 'Giving Guide' to find out how you can get involved. Ultimately, we hope you will consider helping move the needle forward for Pioneer Athletics. The Pioneer Athletic Club (the “PAC”) is a relatively new concept for our department. The primary mission of the PAC is to increase the capacity for our teams to offer athletic scholarships for deserving student-athletes.

We want to take our programs to the next level in terms of student-athlete success both in and out of their sport. Your support of any amount can help us increase that success and provide access to world class education for driven student-athletes.

Thanks again for helping us #BuildTheBridge to success for current and future Pioneers.

Let’s Go Pioneers!

Jason Carmichael
Director of Athletics
"My experience as a student athlete at East Bay was invaluable. I was able to learn so many skills and indispensable knowledge from my courses, but being an athlete and having to juggle courses with athletics taught me more about myself as a person; how to face challenges, how to push through those challenges, and most importantly, that there are people willing to help you with any challenges you may face. Be it tutors, professors, or teammates.

The support at East Bay, in and out of athletics, fosters an environment where students can feel prepared and able to succeed in whatever comes their way."

Under current tax laws, benefits are available as a result of contribution. The fair market value of these benefits must be subtracted from the contribution in order to determine the tax-deductible portion of the gifts. If Donors elect to decline all benefits, then the entire amount of the contribution is tax-deductible to the full extent, otherwise allowed by law.
