Dear Pioneers:

On behalf of all us here on campus I want to say “Thank You” for your support of your Pioneers. Pioneer Nation members like yourself hail from many walks of life. But no matter whether you are a Pioneer alum, a family member, a community supporter, or a fan who found inspiration in the stories of our young leaders, we APPRECIATE you.

I also want to thank you in advance for reviewing this 'Giving Guide' to find out how you can get involved. Ultimately, we hope you will consider helping move the needle forward for Pioneer Athletics. The Pioneer Athletic Club (the “PAC”) is a relatively new concept for our department. The primary mission of the PAC is to increase the capacity for our teams to offer athletic scholarships for deserving student-athletes.

We want to take our programs to the next level in terms of student-athlete success both in and out of their sport. Your support of any amount can help us increase that success and provide access to world class education for driven student-athletes.

Thanks again for helping us #BuildTheBridge to success for current and future Pioneers.

Let’s Go Pioneers!

Jason Carmichael
Director of Athletics
My four years as a student-athlete at Cal State East Bay were the best of my life. 

I relished waking up early every morning to run before the sun rose and watching a group of driven individuals become a family. Having the support of an entire athletic department behind me as I navigated the highs and lows of academics, college life, and competition at the Division II level gave me confidence that I could succeed at the highest level, in any arena. My experience at East Bay has taught me to embrace being challenged as a person, in the classroom, and most of all as a competitor and a representative of this University.

Note: Under current tax laws, benefits are available as a result of contribution. The fair market value of these benefits must be subtracted from the contribution in order to determine the tax deductible portion of the gifts. If Donors may elect to decline all benefits, then the entire amount of the contribution is tax-deductible to the full extent, otherwise allowed by law.
