ABOUT THE CCAA

The California Collegiate Athletic Association has been the nation's most successful Division II intercollegiate athletic conference since its establishment in December 1938.

The 12-member league is home to some of the nation's finest NCAA Division II athletic programs in Cal Poly Humboldt, Cal Poly Pomona, Cal State Dominguez Hills, Cal State East Bay, Cal State LA, Cal State Monterey Bay, Cal State San Bernardino, Cal State San Marcos, Chico State, San Francisco State, Sonoma State, and Stanislaus State.

CCAA institutions compete in seven women's and six men's conference-sponsored sports. Fall sports include men's and women's cross country, men's and women's soccer and women's volleyball. Men's and women's basketball are contested in the winter, and baseball, men's and women's golf, men's and women's outdoor track & field and softball comprise spring competition.

CCAA members have won 156 NCAA Championships (103 men, 53 women) all time, far and away the most of any Division II conference. Since 2000, CCAA institutions have earned 24 national championships in 10 sports. During that span, eight members have earned at least one title highlighted by back-to-back championships for UC San Diego women's soccer (2000, '01) and Cal Poly Pomona women's basketball (2001, '02). In 2011, the Cal State Monterey Bay men's golf team finished at the top of the national leaderboard while UC San Diego softball also claimed the NCAA crown, marking a memorable May. Cal State San Bernardino volleyball ran the table in 2019 and hoisted the hardware with an undefeated season. Cal State LA has claimed the two most recent national championships with men's soccer capturing the title in 2021 and the volleyball team in 2023.

The CCAA has undergone several changes in Conference membership since charter members UC Santa Barbara, Fresno State, San Diego State and San Jose State came together to form the league in 1938. Over the past 80-plus years, a number of institutions have been members of the CCAA, including Cal State Bakersfield, Cal State Northridge, Cal Poly San Luis Obispo, Chapman, Cal State Fullerton, Long Beach State, Pacific, Pepperdine, UC Riverside, UC Davis and Grand Canyon University. Most recently UC San Diego departed the conference to join the Big West (DI) on July 1, 2020. The CCAA Commissioner's Office is located in Aliso Viejo.
