Originally founded in 1916, the Santa Rosa Golf & Country Club was relocated to its present day location in 1959 by designer Jack Fleming, a protégé of legendary designer Alister MacKenzie. The outstanding design of this private course lends itself to players of all ages and skill levels. Clocking in at 6,712 yards, the 18 hole par 72 course is surely one of the most beautiful and well-designed courses in Northern California. Play either 9 or 18 holes and experience the peaceful and serene views that only Wine Country can offer.

Santa Rosa Golf & Country Club's picturesque and challenging golf course has retained its original character after several renovations. Rolling hills, tree-lined fairways, and well-protected greens offer a variety of challenges for golfers of all skill levels, while meticulously groomed fairways and greens ensure an excellent playing experience.

CCAA HALL OF FAME - CLASS OF 2024

The CCAA is proud to welcome eight new members into its prestigious Hall of Fame.

"First off, I would like to thank our Hall of Fame Committee for putting forward this incredible 2024 class," said CCAA commissioner Allen Hardison. "These former CCAA student-athletes, coaches, and administrators epitomize everything that is great about college athletics, and we are so proud to have these individuals in our Hall of Fame. As you can see by the names chosen in this class, it is a massive achievement to be selected to the Hall of Fame in one of the most competitive conferences in the country. On behalf of all of us at the CCAA, congratulations to the 2024 CCAA Hall of Fame class."

Amy Apodaca, Sonoma State - Women's Soccer, 1996-99

Apodaca led Sonoma State to three conference titles and an NCAA runner-up finish. She became the first SSU student-athlete to earn All-American honors in three seasons.

Derek Bell, Sonoma State - Baseball, 1998-2000

Bell was the CCAA Player of the Year and an All-American in 2000. His 23 home runs shattered the previous Sonoma State record by 10 and were the third-most in the over 60-year history of the CCAA.

Carol Dunn, Cal State LA - Director of Athletics, 1988-2005

Carol Dunn served Cal State LA for 24 years, including the last 17 as AD (1988-2005). During her tenure, she helped lead the Golden Eagles to achieve some of the most recognized moments in department history.

Kevin Pillar, Cal State Dominguez Hills - Baseball, 2008-11

Pillar set (and still holds) the NCAA record with a 54-game hitting streak before moving on to the MLB, where he is about to begin his 12th season.

Cori Reinhardt, Cal State Monterey Bay - Softball, 2012-15

Reinhardt is the only softball student-athlete to ever earn CCAA Pitcher and Player of the Year honors in the same season. The three-time All-American's name can still be found all over the pitching and hitting records.

Ozzie Smith, Cal Poly San Luis Obispo - Baseball, 1974-77

Smith left Cal Poly with a CCAA-record of 110 stolen bases. He is still ranked second all-time, and his 44 steals in a season (1977) still ranks fourth. He went on to win 13 Gold Gloves in the MLB.

David Yanai, Cal State Dominguez Hills & Cal State LA - Men's Basketball Coach

Yanai collected over 400 wins in his tenure and is still one of only three CCAA coaches to hit that milestone. Yanai was the first Japanese-American head basketball coach at any level of college basketball.

Xenia Anastasiadou, Cal Poly Pomona - Women's Tennis, 1986-88

Anastasiadou earned three All-CCAA honors and was named an All-American each season. She won back-to-back NCAA Div. II singles titles, becoming only one of two student-athletes ever to accomplish this feat.

CHAMPIONS IN COMPETITION. CHAMPIONS IN LIFE.

What made them great student-athletes makes them great employees

Every day, millions of former student-athletes from the nearly 1,100 NCAA schools prove the value of college sports, using what they learned in the classroom and their sport. Former college athletes excel as leaders in all walks of life, across diverse professions throughout the global workforce. Celebrating this remarkable community, NCAA After the Game highlights the success these former student-athletes are having in post-collegiate careers and showcases how their experiences in college played a significant role in those achievements.

Also, to help them win in the biggest game of all — life — NCAA After the Game provides networking opportunities via its group on LinkedIn and a career center connecting them to jobs in diverse industries and position levels. Additionally, After the Game includes an information hub on ncaa.org that offers tips to successfully transition to and thrive during the next stage in their journey.

STUDENT-ATHLETE UNITY PLEDGE

- I am an NCAA student-athlete, and I pledge to be a Champion of Unity on my team, on my campus and in my community.
- I pledge to stand against all forces of division and separation.
- I pledge to embrace differences and strive for inclusion and collaboration.
- I pledge to stand against racism, hate and discrimination.
- I pledge to strive for love, care and forgiveness.
- I pledge to stand against silence, deceit and obscurity.
- I pledge to strive for dialogue, truth and understanding.
- I pledge to stand against fear and doubt.
- I pledge to strive for trust and belief in one another.
- I pledge to stand against complacency and stagnancy.
- I pledge to strive for change and growth.
- I commit to supporting my fellow student-athletes in all circumstances that impact them.
- I commit to both choosing unity personally and encouraging it for all.
- I pledge these things because we are stranger together.

ABOUT THE CCAA

The California Collegiate Athletic Association has been the nation's most successful Division II intercollegiate athletic conference since its establishment in December 1938.

The 12-member league is home to some of the nation's finest NCAA Division II athletic programs in Cal State Dominguez Hills, Cal State East Bay, Cal State LA, Cal State Monterey Bay, Cal State San Bernardino, Cal State San Marcos, Cal Poly Pomona, Chico State, Humboldt State, San Francisco State, Sonoma State, and Stanislaus State.

CCAA institutions compete in seven women's and six men's conference-sponsored sports. Fall sports include men's and women's cross country, men's and women's soccer and women's volleyball. Men's and women's basketball are contested in the winter, and baseball, men's and women's golf, men's and women's outdoor track & field and softball comprise spring competition.

CCAA members have won 156 NCAA Championships (103 men, 53 women) all time, far and away the most of any Division II conference. Since 2000, CCAA institutions have earned 24 national championships in 10 sports. During that span, eight members have earned at least one title highlighted by back-to-back championships for UC San Diego women's soccer (2000, '01) and Cal Poly Pomona women's basketball (2001, '02). In 2011, the Cal State Monterey Bay men's golf team finished at the top of the national leaderboard while UC San Diego softball also claimed the NCAA crown, marking a memorable May. Cal State San Bernardino volleyball ran the table in 2019 and hoisted the hardware with an undefeated season. Cal State LA has claimed the two most recent national championships with men's soccer capturing the title in 2021 and the volleyball team in 2023.

The CCAA has undergone several changes in Conference membership since charter members UC Santa Barbara, Fresno State, San Diego State and San Jose State came together to form the league in 1938. Over the past 80-plus years, a number of institutions have been members of the CCAA, including Cal State Bakersfield, Cal State Northridge, Cal Poly San Luis Obispo, Chapman, Cal State Fullerton, Long Beach State, Pacific, Pepperdine, UC Riverside, UC Davis and Grand Canyon University. Most recently UC San Diego departed the conference to join the Big West (DI) on July 1, 2020. The CCAA Commissioner's Office is located in Aliso Viejo.

NCAA Div. II NAMES CCAA AS A FINALIST FOR THE 2024 AWARD OF EXCELLENCE

The California Collegiate Athletic Association (CCAA) was one of two conferences and 25 schools to be named finalists for the 2024 Division II Award of Excellence, an accolade recognizing initiatives in the past year that exemplify the Division II philosophy, community engagement and student-athlete leadership.

Division II honors its members each year for conducting events that promote student-athletes giving back and serving as leaders within their communities or on their campuses. A committee of athletics administrators determined this year's finalists, and the national Division II Student-Athlete Advisory Committee selected the top three finalists, who will be announced at the Division II business session on Jan. 13 at the 2024 NCAA Convention in Phoenix.

The CCAA established CCAA Cares to amplify the exceptional community engagement contributions made by member schools and their respective Student-Athlete Advisory Committees and student-athletes. A SAAC Community Service Award of the Year trophy and a \$500 prize will be awarded to the campus SAAC that is voted to have developed the most innovative project during the past year. The program was launched in the fall of 2022, and in just 14 championships, it has generated over \$4,500 for local charities and community engagement efforts.

For the 2023-24 CCAA Men's & Women's Golf Championships both Chico State and Sonoma State selected a non-profit of their choice. Sonoma State will donate to the Redwood Empire Food Bank which is the largest hunger-relief organization in the area and works the front lines of food assistance in our region, playing a crucial role in helping individuals, families, seniors, and children. Chico State will be supporting the Hungry Wildcat Food Pantry which is an on-campus organization which annually distributes more than 60 tons of food to more than 4,000 students.
