Action Items	Assigned To	Deadline
1. We discussed the potential loss of the Freedom AQ when Elizabethtown leaves the conference. We agreed to the following sequence: <ol style="list-style-type: none"> 1. Try to find affiliate members just for tennis (research independent schools) 2. Try to encourage current conference schools to add tennis. 3. Go back to 1 super conference, so we can send the best school to NCAA's. 	We just wanted to include this for discussion.
