Call to Order: Jenn Noon called the meeting to order at 10:30am

Golden Oaks 2014	Proposed by: Tom O'Connell
-------------------------	-----------------------------------

Discussion: Golden Oaks was a great venue this year. We would like to look for an earlier shotgun start time if possible. Tom will reach out to Joann (Pro) at Golden Oaks to see if feasible.

Mike Swisher, Lebanon Valley Coach, will look in to Lebanon Valley Country Club as a possible venue in 2014.

Coaches would like to have venue closer to the men so dual Head Coaches can make it to both events.

Suggestion was made to make the practice round on Thursday and the Championship on Friday. Unfortunately, we will not be able to move to during the week due to student-athletes missing class and finals.

Holiday Inn Express	Proposed by: Jenn Noon
----------------------------	-------------------------------

Discussion: Will return to Holiday Inn Express if we return to Golden Oaks in Reading, PA.

MAC CHAMPIONSHIP 2 day event	Proposed by: Jenn Noon
-------------------------------------	-------------------------------

Discussion: Coaches feel that we are not ready for a two-day event but in the future would love to discuss the possibility. WE WILL REMAIN WITH A ONE-DAY EVENT ON SUNDAY, APRIL 27, 2014.

HOST STARTER'S Instructions	Proposed by: Jenn Noon
------------------------------------	-------------------------------

Discussion: Some coaches felt that we had some spectators involved too much with players during the championship round.

***Prior to the start of the event, the host will read the starters instructions. Please find attached the information that is given out at the Men's Championship. If you have any suggestions/corrections please let me know so I can change for

2014.

Scores reported to GolfStat

Proposed by: Chris Ramer

Discussion: SID's will discuss who should be submitting all conference championship scores to GolfStat. Jenn Noon suggested that the HOST school should submit the scores. Other suggestions included: the winning team should submit everyone's scores to Golfstat.

Compliance in 2014 Season

Proposed by: Jenn Noon

Discussion: It is important that each school tries to host an invitational or a match this fall. We need to comply with the NCAA rules in which we have 6 events that are played at 5800 yards and 4 players score. Please record all scores with GolfStat and register your events.

An individual needs to compete in 3 events in order to participate in the MAC Championship.

If an individual competes in an event but their respective team does not have four score, it WILL count as a completed event for the individual NOT the team.

Motion: Jenn Noon

Seconded by: [Name]

Coach of the Year will be awarded to the coach of the Team that WON the Championships -NO OPPOSITIONS

Best of luck to Nate Davis and Eastern University at the NCAA Tournament.

Jenn Noon adjourned meeting at 11:17am.
