ABOUT THE MAC

Founded on December 11, 1912, the Middle Atlantic Conferences, commonly known as the MAC, is one of the oldest intercollegiate athletics associations in the United States. The first conference competition occurred on May 20, 1913 with a track & field meet at Lafayette College. Since then, 59 institutions have competed in 25 sports and won 36 NCAA team championships. The MAC has evolved into the only NCAA umbrella organization of three conferences – Commonwealth, Freedom, and Middle Atlantic. Currently 17 Division III schools, spanning four states, have over 6,500 student-athletes competing in 24 sports for 37 conference championships. Member schools are: Albright College, Alvernia University, Arcadia University, Delaware Valley College, DeSales University, Eastern University, Fairleigh Dickinson University - The College at Florham, Hood College, King's College, Lebanon Valley College, Lycoming College, Manhattanville College, Messiah College, Misericordia University, Stevenson University, Widener University, and Wilkes University.

NCAA DIVISION III

Follow Your Passions and Discover Your Potential. The college experience is a time of learning and growth - a chance to follow passions and develop potential. For student-athletes in Division III, all of this happens most importantly in the classroom and through earning an academic degree. The Division III experience provides for passionate participation in a competitive athletic environment, in which student-athletes push themselves to excellence and build upon their academic success with new challenges and life skills. And student-athletes are encouraged to pursue their full passions and find their potential through a comprehensive educational experience.

MAC CODE OF CONDUCT

We expect conduct that exemplifies the best traditions of intercollegiate athletics. Coaches and student-athletes abide by the spirit and letter of the sport playing rules and are gracious in both victory and defeat. Competition is conducted in a nondiscriminatory manner that encourages enthusiastic, positive support of the participants and teams by all spectators. Profanity; sexist, ethnic, or racial comments; or, other intimidating actions will not be tolerated. Consumption or possession of alcoholic beverages and tobacco products is prohibited. We are responsible for providing the visitors with an environment that would meet our expectations if the roles were reversed. This is our home; please treat it as you would your own.

MESSAGE FROM THE EXECUTIVE DIRECTOR

On behalf of the Middle Atlantic Conference, I welcome the student-athletes, coaches, families, and fans to the 2015 Middle Atlantic Conference Swimming Championships. Special thanks to Graham Aquatic Center for providing a great venue for this event. It is my hope that everyone in attendance at this year's championship is influenced by the effort and determination of our conference's student-athletes. Let us support these student-athletes in a positive manner. On behalf of the MAC, I thank you for your support of our Swimming Championships.

Sincerely,
KENNETH W. ANDREWS
MAC Executive Director

We extend a special thank you to all of those individuals that help make this championship a reality and a success.

DISTINCTLY DIVISION III

DISCOVER

40 percent of NCAA® student-athletes compete in Division III – the largest division in college sports.

DEVELOP

Research shows that **nine of every 10** Division III student-athletes succeed academically.

DEDICATE

76 percent of Division III first-year student-athletes receive some type of non-athletics institutional financial aid to attend college, averaging **\$13,500**.
