HISTORY OF THE GULF SOUTH CONFERENCE

Academic excellence and a leadership role in the NCAA's Division II make the Gulf South Conference (GSC) something special. The GSC is a charter Division II member and enters its 43rd year as one of the premier conferences at any NCAA level.

In the summer of 1970, six college presidents met to talk about athletics; when the meeting ended, a new league emerged—the Mid-South Conference—started by, and to this day run by, the CEOs, the first in NCAA history. It is that CEO-control and involvement that makes the league work and its 14 championships (football; men's & women's cross country, men's & women's soccer; volleyball, men's & women's basketball, men's & women's tennis, men's & women's golf, softball and baseball) so bitterly contested in a collegial manner.

From that point forward, the GSC has been giant steps ahead of the D-II pack. Dating back to 1997, the league has found neutral sites paying sizeable guarantees for most of its team championships. NCAA Conventions regularly feature GSC-proposed or -inspired legislation. No one wins more regionals or earns more NCAA post-season bids. In 2004, the league purchased its own built-to-its-specification office space. But the crowning moment came in 2005-06, when the GSC debuted its highly successful "GSC-TV Live" package which included nine football games (now 10) and its men's & women's basketball tournament finals. Add to that the newly branded of "GSC DigiNet" video platform and the broadbanding of most of its championships and you can see why the GSC is a Conference paving the way into the 21st century.

We take pride in our 46 National Team Championships in 13 sports and more than 100 regional titles, especially because there is no sacrifice on the academic side, where GSC student-athletes regularly earn Academic All-America. Three GSC teams advanced to NCAA Title contests in 2011-12, led by Valdosta State which claimed the league's first-ever Softball Crown.

Delta State, Florence State (now North Alabama), Jacksonville State, Livingston (now West Alabama), Tennessee-Martin and Troy State were the charter GSC members. Scheduling problems for the 1970-71 academic year limited the GSC to football, won by Jacksonville State. In 1971, the addition of Southeast Louisiana (SELA) and Nichols State increased the membership to eight. The league opened an office in Hammond, LA, changed its name to the Gulf South Conference and began championships in nine men's sports. Mississippi College and Northwestern Louisiana (NWLA, now Northwestern State) joined in 1972 and two years later, NELA left for Division I with SELA and Nicholls State following in 1979.

The conference continued with seven teams until 1981, when the CEOs admitted Valdosta State, followed by West Georgia (1983). In 1991, Tennessee-Martin and Troy State went Division I, briefly dropping the GSC back to seven members. An aggressive expansion under the guidance of new Commissioner Nate Salant resulted in 10 new members: Lincoln Memorial (1992-93); Alabama-Huntsville, Henderson State, Central Arkansas and Mississippi University for Women (1993-94); West Florida (1994-95); and Arkansas-Monticello, Arkansas Tech, Montevallo and Southern Arkansas (1995-96). Jacksonville State moved to Division I at the end of 1992-93. Mississippi College dropped to Division III at the end of 1995-96, and was replaced by Christian Brothers to keep the Conference at 16 schools. In July 2000, the GSC welcomed Harding University and Ouachita Baptist University, making it the largest NCAA conference at any level with 18 schools. MUW dropped its athletics program at the end of the 2002-03 season, decreasing the membership to 17. The Conference decreased to 15 teams in 2006-07 when Central Arkansas reclassified to Division I and Lincoln Memorial moved to the South Atlantic Conference, then 14 after Montevallo departed to the Peach Belt Conference.

The GSC dropped divisional play after the 2010-11 season when its six Arkansas members broke away, dropping the membership to eight. The Conference did not wait long to implement an aggressive expansion plan, sponsoring the Division II applications of Union University (TN) and Shorter University (GA), which were accepted into the NCAA reclassifying process in July of 2011, and will enter as GSC provisional members in the 2012-13 season. The GSC took another step in bolstering its membership this summer, backing the Division II application of Lee University (TN) which was accepted by the NCAA in July of 2012. The league also bolstered its football membership when it agreed to add Florida Tech as a football-only member beginning in 2013.

Former Commissioner Jim McCullough brought the GSC office to Birmingham. Current Commissioner, Nate Salant began his tenure in October, 1992. He is assisted by Assistant Commissioner for Media and Public Affairs Michael Anderson, Assistant Sports Information Director Albert "A.A." Moore, Assistant Sports Information Director Michael Stagno and Assistant Commissioner for Compliance Andrea Anderson. The Chairman of the GSC Board of Directors is Dr. Judith Bense (West Florida). Joining her on the executive committee are Vice-Chair Dr. John Smarrelli (Christian Brothers) and Past-Chair Dr. William Cale (North Alabama). The Supervisors of Officials are Jeff Roberson (Football), John Caldwell (Basketball), Mike McCray (Baseball) and Eric Ackerman (soccer).

VSU topped the Pre-Season Poll for the first time since 2008, seventh overall, totaling 15 total points via three first-place votes and one second-place nod. **West Alabama** finished one point behind the Blazers for second place, garnering two first-place and two second-place designations. UWA earned the second-place spot for the second time in three years.

Two-time defending Conference Champion **Delta State** was only other school to hit double-digits, finishing in third-place (10). **North Alabama** and **West Georgia** completed the five-team poll by tallying six and five points, respectively.

GSC AND THE HARLON HILL TROPHY

HARLON HILL TROPHY FAQ

WHAT IS THE HARLON HILL TROPHY?

The **Harlon Hill Trophy** is the Division II version of the Heisman Trophy. Named for former Florence State (now North Alabama) standout Harlon Hill, the Trophy recognizes the player selected as the "best" in Division II by the sports information directors at the 156 Division II schools which play football.

WHO IS HARLON HILL?

After four stellar seasons at Florence State, Hill played nine years (1954-1962) in the NFL with the Chicago Bears, Pittsburgh Steelers and Detroit Lions. In eight seasons with the Bears, Hill was a three-time All-Pro selection (1954-56) and a three-time Pro Bowl honoree (1955-57). He was named "Rookie of the Year" in 1954 after catching 45 passes for 1124 yards and 12 touchdowns. In 1955, Hill won the Jim Thorpe Trophy as the NFL's "Most Valuable Player." During his NFL career, he caught 233 passes for 4717 yards and 40 touchdowns.

Hill is a very deserving member of three halls of fame (Helms Athletic Foundation Hall of Fame, Alabama Sports Hall of Fame and the UNA Athletic Hall of Fame) and is a retired principal of Brooks High School in his hometown of Killen, Alabama.

HOW IS THE WINNER SELECTED?

The nominations are submitted by the sports information directors at the 156 NCAA Division II schools which compete in football. The nominations are then broken up into the Northeast, South, Midwest and West regions.

The chairman of each regional advisory committee polls his members to determine who the top six players are from their respective region. The regional selections are then forwarded to the Voting Coordinator who updates biographies on each nominee and compiles the regional ballot.

The 24 players (maximum) are candidates for the award and are voted on by the SIDs. The top two selected in each region then move on to the national ballot. The eight players selected for the national ballot are then voted on nationwide by all sports information directors at Division II football-playing institutions. These eight are the FINALISTS for the award. The final vote count is compiled by the Voting Coordinator and is kept secret until the presentation banquet and the top three vote-getters are invited to the awards banquet.

WHEN IS THE TROPHY PRESENTED?

The Harlon Hill Trophy is presented during the week of the NCAA Division II Football Championship Game in Florence, Alabama. This year, the 22nd annual **Harlon Hill Trophy** will be presented to the Division II "Player of the Year" on Friday, December 12 at the Florence Conference Center in Florence, AL at 6:30 pm.

GSC AND THE HARLON HILL TROPHY

The **Harlon Hill Trophy** has its roots firmly planted in the Gulf South Conference. In 2011, the league placed a player in the final vote for the 12 consecutive year as **Delta State quarterback Micah Davis** finished third (101 points). The GSC made history in 2007, placing three players on final ballot (Delta State linebacker Scott Eyster, Harding quarterback David Knighton and North Alabama quarterback A.J. Milwee). Overall, 29 GSC players have advanced to the final vote and the league has placed at least one finalist for 12 straight seasons. In, 2003, North Alabama quarterback Will Hall became the fifth GSC player, third in the past five seasons, to take home the trophy in the award's 25-year history. Valdosta State quarterback Dusty Bonner earned back-to-back trophies in 2000 and 2001 while former VSU quarterback and Head Coach Chris Hatcher held the trophy in 1994. North Alabama linebacker Ronald McKinnon won in 1995, becoming the the only defensive player ever selected.

GSC DIVISION II HALL OF FAME INDUCTEES

The Division II Football Hall of Fame was created in 1999 in order to honor athletes who have competed on the NCAA Division II level since the division was created in 1973.

Selection Criteria

A player must have played the majority of his career, or the most significant portion (as determined by the executive committee), in the NCAA Division II (The school must have been an active member of the NCAA Division II at the time the athlete competed).

The initial ballot consists of players nominated for the NCAA Division II Football Team of the Quarter Century. Additional players may be nominated by the sports information office at the NCAA Division II school that they competed.

A player becomes eligible for consideration, ten years after his last year of intercollegiate football played.

Each nominee's football achievements on the collegiate level are the prime area of consideration, but the selection will also take into account the player's professional football career and post football life and achievements.

Players and coaches who are playing or coaching on the professional level are not eligible until after they retire.

Voting Procedure

The selection committee membership will be determined by Hall of Fame co-chairmen. The selection committee will consist of 22 people. Twelve of the committee members will be permanent members, while the other 10 will rotate every three to five years.

Selection committee members will annually be provided updated biographical data on all candidates for their voting process. The selection committee will then vote on ten candidates each year and those selections will then be ranked and reviewed by the selection committee chairmen.

GSC in the DII Hall of Fame

Eight former GSC players and coaches have been inducted into the Division II Hall of Fame. **Valdosta State linebacker Jessie Tuggle** was the league's first inductee in 2002. In 2007, two former GSC standouts were selected in **North Alabama linebacker Ronald McKinnon** and **Troy State quarterback Mike Turk**. The Conference added its first former coach honoree when **North Alabama** and **West Alabama Head Coach Bobby Wallace** was one of the first three coaches to be enshrined. The GSC posted two more inductees in 2011 as former **Mississippi College running back Fred McAfee** and **Jacksonville State Head Coach Bill Burgess** were announced in July, 2001.
