HISTORY OF THE GULF SOUTH CONFERENCE

Academic excellence and a leadership role in the NCAA's Division II make the Gulf South Conference (GSC) something special. The GSC is a charter member of Division II and enters its 44th year as one of the premier conferences at any NCAA level.

In the summer of 1970, six college presidents met to discuss about athletics; when the meeting ended, a new league emerged—the Mid-South Conference—started by, and to this day run by, the CEOs, the first in NCAA history. It is that CEO-control and involvement that makes the league work and its 14 championships (football; men's & women's cross country, men's & women's soccer, volleyball, men's & women's basketball, men's & women's tennis, men's & women's golf, softball and baseball) so intensely contested—in a collegial manner, of course.

From that point forward, the GSC has been giant steps ahead of the D-II pack. Beginning in 1997, the league found neutral sites paying sizeable guarantees for most of its team championships. NCAA Conventions regularly feature GSC-proposed or -inspired legislation. No one wins more regionals or earns more NCAA post-season bids. In 2004, the league purchased its own built-to-its-specification office space. But the crowning moment came in 2005-06, when the GSC debuted its highly successful "GSC-TV Live" package which included nine football games (now 11) and its men's & women's basketball tournament finals. Add to that the branded "GSC DigiNet" video platform and the live-streaming of most of its championships, and you can see why the GSC is a Conference paving the way in the 21st century!

We take pride in our 48 National Team Championships in 13 sports and more than 100 regional titles, especially because there is no sacrifice on the academic side, where GSC student-athletes regularly earn Academic All-America. The GSC opened the 2012-13 year with NCAA Championships, thanks to West Florida's first-ever NCAA Women's Soccer Title and Valdosta State's third all-time Football Crown.

Delta State, Florence State (now North Alabama), Jacksonville State, Livingston (now West Alabama), Tennessee-Martin and Troy State were the charter members. Scheduling problems for the 1970-71 academic year limited the GSC to football, won by Jacksonville State. In 1971, the addition of Southeast Louisiana (SELA) and Nichols State increased the membership to eight. The league opened an office in Hammond, LA, changed its name to the Gulf South Conference and began championships in nine men's sports. Mississippi College and Northwestern Louisiana (NWLA, now Northwestern State) joined in 1972 and two years later, NELA left for Division I, followed by SELA and Nicholls State in 1979.

The conference continued with seven teams until 1981, when the CEOs admitted Valdosta State and West Georgia (1983). In 1991, Tennessee-Martin and Troy State went Division I, briefly dropping the GSC back to seven members. An aggressive expansion under the guidance of new Commissioner Nate Salant resulted in 10 new members: Lincoln Memorial (1992-93); Alabama Huntsville, Henderson State, Central Arkansas and Mississippi University for Women (1993-94); West Florida (1994-95); and Arkansas-Monticello, Arkansas Tech, Montevallo and Southern Arkansas (1995-96). Jacksonville State moved to Division I at the end of 1992-93. Mississippi College dropped to Division III at the end of 1995-96, and was replaced by Christian Brothers to keep the Conference at 16 schools. In July 2000, the GSC welcomed Harding University and Ouachita Baptist University, making it the largest NCAA-playing conference at any level with 18 schools. MUW dropped its athletics program at the end of the 2002-03 season, decreasing the membership to 17. Central Arkansas reclassified to Division I and Lincoln Memorial moved to the South Atlantic Conference following the 2006-07 year. Montevallo's departure for the Peach Belt Conference dropped the number to 14.

The GSC moved away from divisional play after the 2010-11 season after its six Arkansas members broke away, dropping the membership to eight. Thanks to an aggressive expansion plan, the GSC sponsored the Division II applications of Union University (TN) and Shorter University (GA), which were accepted into the NCAA process in July 2011, and are expected to become official members for 2014-15. The next step in bolstering its membership came in 2012, backing the Division II application of Lee University (TN) which was accepted by the NCAA in July of 2012. The league added its first-ever associate member, Florida Tech, in football only in 2013. The Conference added an old friend back into the fold when Mississippi College's application to rejoin Division II was approved in September of 2013.

Former Commissioner Jim McCullough brought the GSC office to Birmingham. Current Commissioner, Nate Salant began his tenure in October, 1992. He is assisted by Assistant Commissioner for Media and Public Affairs Michael Anderson, Assistant Sports Information Director Albert "A.A." Moore, Assistant Sports Information Director Michael Stagno and Assistant Commissioner for Compliance Andrea Anderson. The Chair of the GSC Board of Directors is Dr. Judith Bense (West Florida). Joining her on the Executive Committee are Vice-Chair Dr. John Smarrelli (Christian Brothers) and Past-Chair Dr. William Cale (North Alabama). The Supervisors of Officials are Jeff Roberson (Football), John Caldwell (Basketball), Mike McCray (Baseball) and Eric Ackerman (soccer).

WELCOME TO THE GSC

The Gulf South Conference welcomes one new competing institution and one new head coach to its ranks in 2013-14.

Future GSC member **Lee University** (TN) takes the next step to becoming full members in 2015-16, as they play in the league schedule starting in 2013-14. LU will not be eligible for the GSC or NCAA Tournaments until the 2015-16 season, but results versus the Flames count towards the Conference standings beginning this season.

West Alabama announced that a familiar face will be returning to the GSC sidelines when **Mark Downey** was tabbed as its new head men's basketball coach on July 19. Success in the GSC is nothing new to Downey who led former member Arkansas Tech to new heights from 2006-10 before heading to his alma mater, Charleston from 2010-13. He guided ATU to back-to-back GSC Tournament Titles in 2009 and 2010 and in only three seasons at Charleston, he compiled a 60-28 record and led the Golden Eagles to their first NCAA Tournament Appearance since 2001.
