## FOOTBALL MEDIA GUIDE

### GSC HISTORY

Academic excellence and a leadership role in NCAA's Division II make the Gulf South Conference (GSC) something special. Entering its 49th year, the GSC is a charter Division II member that prides itself as one of the first conferences to be created and administered by its CEOs.

We take pride in our 52 National Team Championships in 13 sports, one individual men's cross country champion, five men's golf individual champions, and one track and field champion, as well as more than 150 regional titles, especially because there is no sacrifice on the academic side, where GSC student-athletes graduate at a much higher rate than the general student body.

The conference saw all 12 full-time NCAA eligible institutions advance to NCAA Championship action in 2018-19. In 2019-20, the GSC will sponsor 19 sports, adding both men's and women's indoor track and field. Indoor track and field joins the other official sponsored sports of baseball, men's and women's basketball, men's and women's cross country, football, men's and women's golf, women's lacrosse, men's and women's soccer, softball, men's and women's tennis, men's and women's outdoor track and field, and volleyball. This is the fifth year that the conference will sponsor women's lacrosse, but, now with six women's lacrosse members, this will be the first year there will be an official championship.

In the summer of 1970, six college presidents met to discuss athletics and when the meeting ended, a new league emerged—the Mid-South Conference. Delta State, Florence State (now North Alabama), Jacksonville State, Livingston (now West Alabama), Tennessee-Martin (UTM), and Troy State (TSU) were the charter members, but scheduling problems for the 1970-71 academic year limited the conference to only football. Southeast Louisiana (SELA) and Nicholls State (NSU) joined in 1971 and the league opened an office in Hammond, La., changed its name to the Gulf South Conference, and began championships in nine men's sports. Mississippi College (MC) and Northwestern Louisiana (NWLA, now Northwestern State) joined in 1972 and two years later, NWLA left for Division I, followed by SELA and NSU in 1979.

The conference continued with seven teams until 1981, when the CEOs admitted Valdosta State and West Georgia (1983). In 1991, UTM and TSU went Division I, briefly dropping the GSC back to seven members, but an aggressive expansion resulted in 10 new members: Lincoln Memorial (1992-93); Alabama Huntsville, Henderson State, Central Arkansas and Mississippi University for Women (MUW, 1993-94); West Florida (1994-95); and Arkansas-Monticello, Arkansas Tech, Montevallo and Southern Arkansas (1995-96). Jacksonville State moved to Division I at the end of 1992-93. MC dropped to Division III at the end of 1995-96, and was replaced by Christian Brothers to keep the conference at 16 schools. In July 2000, the GSC welcomed Harding University and Ouachita Baptist University, making it the largest NCAA-playing conference at any level with 18 schools. MUW dropped its athletics program at the end of the 2002-03 season, decreasing the membership to 17. Central Arkansas reclassified to Division I and Lincoln Memorial moved to the South Atlantic Conference following the 2006-07 year. Montevallo's departure for the Peach Belt Conference dropped the number to 14 in 2009-10. North Alabama completed its final year with the GSC in 2017-18, as the Lions accepted an invitation to go Division I and join the Atlantic Sun Conference.

The GSC moved away from divisional play after the 2010-11 season after its six Arkansas members broke away, dropping the membership to eight. The league implemented a five-year expansion plan in 2012 resulting in the addition of new members Shorter University (2014-15), Union University (2014-15), Lee University (2015-16), and Auburn University at Montgomery (2019-20) along with the return of Mississippi College (2016-17) and Montevallo (2017-18). The conference also adopted affiliate memberships to boost its ranks, resulting in sport-specific members, Florida Tech (football), North Greenville (football), Spring Hill College (men's and women's soccer and women's golf), Young Harris College (women's lacrosse), and, beginning in 2019-20, Lander (women's lacrosse).
